Safe Harbor Statement

This presentation contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. The Company may also make forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission (the "SEC"), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties and a number of factors could cause actual results to differ materially from those contained in any forward-looking statement. These factors include, but are not limited to, (i) the global COVID-19 outbreak, caused by a novel strain of the coronavirus, and the continued impact of its consequences on our business, our industry and the global economy, (ii) risks associated with the newly adopted gaming law in Macau and its implementation by the Macau government and our ability to obtain a new concession under the public tender to be conducted by the Macau government and the terms and conditions of a new concession, if we are granted one, (iii) growth of the gaming market and visitation in Macau, the Philippines and the Republic of Cyprus, (iv) capital and credit market volatility, (v) local and global economic conditions, (vi) our anticipated growth strategies, (vii) gaming authority and other governmental approvals and regulations, and (viii) our future business development, results of operations and financial condition. In some cases, forward-looking statements can be identified by words or phrases such as "may", "will", "expect", "anticipate", "target", "aim", "estimate", "intend", "plan", "believe", "potential", "continue", "is/are likely to" or other similar expressions. Further information regarding these and other risks, uncertainties or factors is included in the Company's filings with the SEC. All information provided in this presentation is as of the date of this presentation and the Company undertakes no duty to update such information, except as required under applicable law.

This presentation contains non-GAAP financial measures and ratios that are not required by, or presented in accordance with, U.S. GAAP, including Adjusted property EBITDA and Adjusted EBITDA. The non-GAAP financial measures may not be comparable to other similarly titled measures of other companies since they are not uniformly defined and have limitations as analytical tools and should not be considered in isolation or as a substitute for U.S. GAAP measures. Non-GAAP financial measures and ratios are not measurements of our performance under U.S. GAAP and should not be considered as alternatives to any performance measures derived in accordance with U.S. GAAP or any other generally accepted accounting principles. Reconciliations of such non-GAAP financial measures and ratios to their most directly comparable financial measures and ratios are included in our earnings releases that have been furnished with the SEC and are also available on our Investor Relations website at <http://ir.melco-resorts.com>.

Melco's Sustainability Goals & Achievements

Melco's Sustainability Goals & Achievements

Melco's Above & Beyond Sustainability Strategy

Our sustainability strategy lays out ambitious goals, actionable targets and further enhancement to disclosures around key environmental, social, and governance (ESG) issues that are critical to Melco's business.

Key Goals:

- To achieve carbon neutral resorts by 2030
- To achieve zero waste across our resorts by 2030; eliminate problematic single-use plastics in daily operations and contribute to circular economy in Asia
- To be the employer of choice and create the best-in-class working environment for our employees, and to be the best community partner
- To inspire guests by seamlessly integrating sustainability in their experience and demonstrate a sustainable future is a better future

Achievements to date:

Renewable energy:

- Melco has over **21,000** solar panels across our properties in Macau and Manila, that can generate over **8,000MW** at full capacity, equivalent to powering 1,800 households per year*.
- We are increasing our electrical vehicle fleet and reducing our use and ownership of diesel buses.

Energy Efficiency Measures:

- We implement ongoing efficiency measures to reduce overall energy consumption.
- Energy-efficiency measures progressively adopted at our properties in Macau and Manila since 2018 have resulted in annualized savings of over 46.8 million kWh.

Melco's Sustainability Goals & Achievements

Achievements to date [continued]:

Single-Use Plastic commitments:

Installed the NORDAQ water filtration and bottling system in Macau. We will gradually eliminate 14.8 million plastic bottles annually.

Food waste:

- Utilize artificial Intelligence (AI)-driven technology, Winnow, to reduce food waste in employee dining rooms (EDRs), which serve over 10,000 colleagues every day in Macau.
- Participated in study with London School of Economics and Winnow to utilize cutting edge Artificial Intelligence (AI) technology and behavioral science to reduce food waste in colleague dining rooms by as much as 35% over the five-month trial.

Sustainable Sourcing:

- Achieved sourcing all 100% cotton bed, table and bath linens at our Macau and Manila resorts made from OEKO-TEX certified cotton.
- Sustainable seafood represents 16% of Melco's total seafood by weight in 2021, up 73% over the previous year.
- Prioritize internationally-recognized eco-labels such as Green Key and Green Seal to source chemicals in Melco's chemical sourcing guidelines. Green and Amber chemicals now comprise 92% of all chemicals used on properties.

Upcoming projects

- Mapping our Scope 3 GHG inventory as part of our overall initiative to set temporal targets to achieve our overarching 2030 goals.
- Undergoing climate risk assessment under TCFD guidelines to identify climate-related financial risks and opportunities.

Shareholder Return

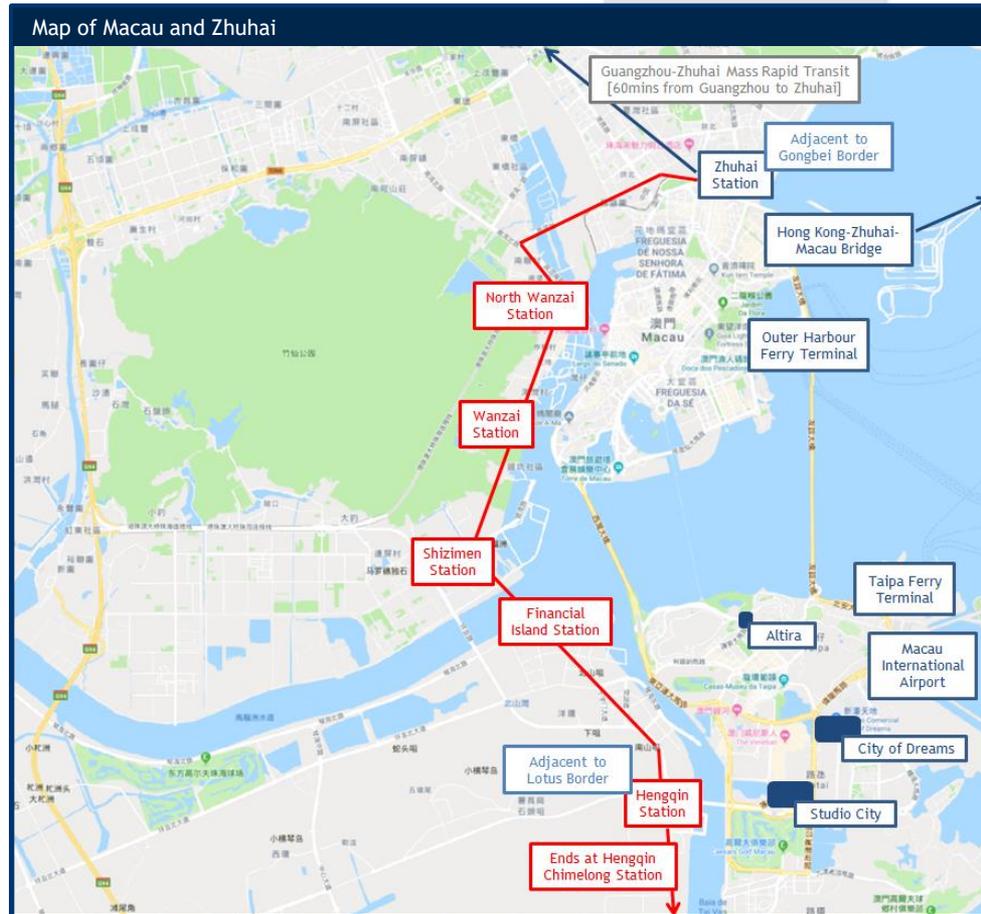

Returned approximately US\$3.5bn to shareholders from 2016

- From 2016, approximately US\$3.5 billion has been returned to shareholders in the form of dividends and share repurchases.
- To preserve liquidity in light of the COVID-19 outbreak and to continue investing in our business, the board has, in May 2020, decided to suspend the quarterly dividend program. This is a prudent course of action given the current conditions. Melco remains committed to returning capital to shareholders by resuming a regular quarterly dividend in the future and will evaluate the resumption of its quarterly dividend as the operating environment evolves.
- Approximately 1.7 million ADSs were repurchased in the second quarter of 2022, for a total consideration of approximately US\$8 million.
