3.1 Action by Agent

If at any time and for any reason any Insurance required hereunder is not in full force and effect or if the Borrower or any other Obligor fails to comply with any other provision of this Schedule 8 which would reasonably be expected to cause any such Insurance (including any Additional Insurances pursuant to paragraph 1.3 (*Additional Insurances*) of this Schedule) required hereunder to be rendered void or suspended, materially impaired or defeated, then, without prejudice to the rights of any of the Finance Parties under any Finance Document, the Agent may (after consultation with the Insurance Adviser) thereupon on behalf of itself and the other Finance Parties (and, as the case may be, any other Secured Parties), or at any time while the same is continuing, procure on behalf of itself and the other Finance Parties (and, as the case may be, any other Secured Parties) that Insurance at the Borrower or the Obligor's expense is maintained such that full compliance with this Schedule 8 is restored. If that Insurance cannot be procured by the Agent, the Borrower and the Obligor shall (without prejudice to any of their other obligations under this Schedule 8 or any of the Finance Documents) take or procure the taking of all reasonable steps to eliminate or minimise uninsured hazards as required by the Agent in writing (after consultation with the Insurance Adviser).

5.3 **Conduct of Claims - Default**

Notwithstanding any other provisions of this Clause 5, if an Enforcement Notice has been delivered to the Borrower, then the Security Agent in consultation with the Insurance Adviser shall have sole conduct of all claims under the Insurances.

5.4 **Insolvency of Direct Insurers**

If, at any time following an Insolvency Event in respect of a Direct Insurer, the Security Agent determines (acting reasonably) that the Borrower or any Group Insured has not complied with the terms of sub-clause 2.2.6 above, the Security Agent may notify the Parent of such non-compliance and, from the date of any such notification, the Security Agent (in consultation with the Insurance Adviser) shall have sole conduct of all claims relating to (and be entitled to direct the applications, in accordance with the terms of the Finance Documents, of any proceeds received under) any Reinsurance taken out by that Direct Insurer.

5.5 **Amendments**

5.5.1 Neither the Borrower nor any Group Insured shall amend or modify, or permit the amendment or modification of, any Direct Insurance without the consent of the Agent (which shall not be unreasonably withheld) unless any such amendment or modification is of a minor, routine, operational, technical, administrative or mechanical nature which would not reasonably be expected to be adverse to the interests of the Finance Parties.

(c) The Macau SAR, pursuant to article 94 or article 95 of the Code of Administrative Procedure of the Macau SAR, notifies Propco of its intent to terminate the Amended Land Concession relative to that portion of the Site comprising the Project, and assigns a term for Propco to submit its position on the intended termination or sets a hearing for the same purpose.

HEDGING ARRANGEMENTS

PART I
HEDGING ARRANGEMENTS

This Schedule 15 (*Hedging Arrangements*) is subject to the terms of the Hedging Letter.

1. The Borrower shall, within 120 days after First Utilisation, enter into agreements to the extent necessary to ensure that at least 50 per cent. of the Term Loan Facility outstanding (from time to time) is subject, through interest rate swap transactions, caps, collars or other derivative products agreed with the Agent, for interest rate protection for a period of not less than 3 years from the effective date or the date such transactions was agreed (" **Interest Rate Hedging**").

2. The purchase price of any such products may be paid for out of the amount provided in the " **Pre-Opening Expenses**" Line Item set out in the Group Budget (as updated from time to time) (**provided that** the sum of the purchase prices (in respect of any interest rate derivative product for which a purchase price is payable), interest and any other amounts payable by the Borrower in respect of all such products does not exceed such amount).

3. A Lender or an Affiliate of a Lender may act as a Hedge Counterparty in respect of the arrangements referred to in paragraph 1 above. However, nothing in this Schedule 15 shall oblige any Obligor to enter into any such Hedging Agreements with a Lender or Affiliate of a Lender if that Lender (or Affiliate of a Lender, as the case may be) cannot provide the required Interest Rate Hedging or is unwilling to provide the Interest Rate Hedging at the lowest bid price.

4. The Hedging Agreements are to be on the terms of either the 1992 (Multicurrency-Cross Border) ISDA Master Agreement or the 2002 ISDA Master Agreement (each, an "**ISDA Master Agreement**") and Schedule thereto, in such form as is reasonably acceptable to the Agent. All Hedging Agreements for swap transactions will provide for full two way payments (in the case of interest rate swaps, with the Borrower Paying Fixed Amounts (as defined in the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. (the " **2006 Definitions**")) and the Hedge Counterparty Paying Floating Amounts (as defined in the 2006 Definitions)) and the payment measure and payment method for such swap transactions in the event of early termination, whether upon a "**Termination Event**" or an "**Event of Default**", shall be "**Second Method**" and "**Market Quotation**" respectively where parties have executed a 1992 (Multicurrency-Cross Border) ISDA Master Agreement. Terms in quotations in this paragraph 4 shall have the meaning ascribed in the 1992 ISDA Master Agreement. The Borrower shall deliver a copy of each Hedging Agreement (and each confirmation thereunder) to the Agent within 10 Business Days of entry into such document.

5. The Hedge Counterparties shall have equal Security over the Charged Property with the other Finance Parties in accordance with the terms of this Agreement.

6. Any amounts due from the Borrower under the Hedging Agreements, including any Realised Hedge Loss plus any accrued default interest in accordance with paragraph 10 below, shall be a permitted Project Cost.

   In this paragraph and paragraphs 7 and 10 below, "**Realised Hedge Loss**" means, in relation to a Hedge Counterparty at any time, the amount (if any) payable (but unpaid) by the Borrower to such Hedge Counterparty under the Hedging Agreement to which such Hedge Counterparty is a party (but excluding any default interest) upon an early termination of any transaction or transactions thereunder which has been terminated in accordance with paragraph 9 below. The amount is to be calculated on a net basis across the transactions terminated under such Hedging Agreement in accordance with the terms of the applicable Hedging Agreement.

7. Payments due from the Borrower under the Hedging Agreements, including any Realised Hedge Loss plus any accrued default interest in accordance with paragraph 10 below, shall be included in Consolidated Finance Charges.

8. Except with the prior consent of the Agent, no amendments may be made to a Hedging Agreement to an extent that might reasonably be expected to result in:

   (a) any payment under the Hedging Agreement being required to be made by the Borrower on any date other than the dates originally provided for in the Hedging Agreement;

   (b) the Borrower becoming liable to make an additional payment under any Hedging Agreement which liability does not arise from the original provisions of the Hedging Agreement; or

   (c) the Borrower becoming liable to make any payment under the Hedging Agreement in any currency other than in the currencies provided for under the original provisions of the Hedging Agreement.

9.

   (a) The Borrower may terminate a transaction under a Hedging Agreement prior to its stated termination date only in circumstances provided for in such Hedging Agreement and with the approval of the Agent (acting on the instructions of the Majority Lenders) **provided that** the approval of the Agent shall not be required in the case of any termination by reason of illegality when the requirements of paragraph 1 above are met following such termination.

   (b) A Hedge Counterparty may terminate a transaction under a Hedging Agreement prior to its termination date maturity only in the circumstances provided for in such Hedging Agreement.

   (c) Unless a Hedge Counterparty has already exercised such rights in accordance with sub-paragraph (b) above, the Agent may require a Hedge Counterparty to (and if so required, such Hedge Counterparty shall) terminate the swap transactions under a Hedging Agreement where a declaration has been made by the Agent pursuant to Clause 24.2 (*Acceleration*) and the provisions permit the termination of the swap transactions.

(d) If a voluntary or mandatory prepayment is to be made in accordance with Clause 9 (*Illegality, Voluntary Prepayment and Cancellation*) or Clause 10 (*Mandatory Prepayment and Cancellation*) and following such prepayment the aggregate amount of the "**Notional Amounts**" and/or "**Currency Amounts**" (as each are defined in the 2006 Definitions) of all Hedging Agreements at such time would be greater than 100 per cent. of the Total Commitments under the Term Loan Facility, the Borrower may (but is not obliged to) terminate or close out swap transactions under the Hedging Agreements in order to ensure that the aggregate Notional Amounts and/or Currency Amounts of all swap transactions under the Hedging Agreements are not in excess of 100 (but not less than 50) per cent. of the aggregate principal amount outstanding under the Term Loan Facility at the relevant time. If the Borrower so chooses to terminate or close out it shall so notify the Hedge Counterparties promptly of its intention. Following such notice, swap transactions under the Hedging Agreements shall be terminated or closed out by reducing the Notional Amounts and/or Currency Amounts thereunder on a *pro rata* basis as between the Hedge Counterparties (unless otherwise agreed by the Agent), on the first Payment Date (as defined in the 2006 Definitions) (or, where such prepayment falls within 5 Business Days (as defined in the relevant Hedging Agreement) prior to such first Payment Date, the second Payment Date) in respect of such swap transaction immediately succeeding such prepayment such that, following such terminations or close outs, the aggregate Notional Amounts and/or Currency Amount of all swap transactions under all Hedging Agreements is not more than 100 (but not less than 50) per cent. of the aggregate principal amount outstanding under the Term Loan Facility at the relevant time. The Borrower shall pay any termination costs associated with any such termination or close out at the time of that termination or close out.

10. In the event that a Hedging Agreement is terminated and the Borrower fails to pay any Realised Hedge Loss, such Realised Hedge Loss shall comprise an Unpaid Sum and interest shall accrue in respect thereof accordingly.

Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Registrar, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) *Euroclear and Clearstream, Luxembourg Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions—Clearstream Banking, Luxembourg" and "Customer Handbook" of Clearstream, Luxembourg will be applicable to transfers of beneficial interests in the Regulation S Global Note that are held by Participants through Euroclear or Clearstream, Luxembourg.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes for the Company by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by an Officer or a director (an " *Authentication Order*"), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (" *Registrar*") and an office or agency where Notes may be presented for payment (" *Paying Agent*"). The Registrar will keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder and shall so notify the Trustee and each Paying Agent thereof in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company (*"DTC"*) to act as Depositary with respect to the Global Notes.

The Company initially appoints Deutsche Bank Trust Company Americas to act as the Registrar and Paying Agent and to act as Custodian, with respect to the Global Notes.

If and for so long as the Notes are listed on the SGX-ST, and the rules of the SGX-ST so require, in the event that the Global Notes are exchanged for notes in definitive form, the Company will appoint and maintain a paying agent in Singapore where the Notes may be presented or surrendered for payment or redemption. In the event that the Global Notes are exchanged for notes in definitive form, an announcement of such exchange shall be made by or on behalf of the Company through the SGX-ST and such announcement will include all material information with respect to the delivery of the definitive notes, including details of the Singapore paying agent by way of an announcement to the SGX-ST, for so long as the Notes are listed on the SGX-ST.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium or Additional Amounts, if any, or interest on the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee, through the Registrars, will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes*. A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary;

(2) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes*. The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note*. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note* . A beneficial interest in any Restricted Global Note may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(i) if the Holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(ii) if the Holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof; and, in each such case set forth, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to the paragraph above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to the paragraph above.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) *Transfer or Exchange of Beneficial Interests for Definitive Notes*.

(1) *Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes*. If any Holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A Holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(i) if the Holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(ii) if the Holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in such case set forth in this paragraph, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes.* If any Holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2) hereof, the Trustee will cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Company will execute and the Trustee will authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant or Indirect Participant. The Trustee will deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will not bear the Private Placement Legend.

(d) *Transfer and Exchange of Definitive Notes for Beneficial Interests*.

(1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such Restricted Definitive Note is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee will cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of the appropriate Restricted Global Note.

(2) *Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

and, in such case set forth in this paragraph, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions in this Section 2.06(d)(2), the Trustee will cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee will cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraphs (1)(B), (1)(D) or (3) above at a time when an Unrestricted Global Note has not yet been issued, the Company will issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee will authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(1) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Subsidiary Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Subsidiary Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than ten (10) days prior to the related payment date for such defaulted interest. At least fifteen (15) days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Additional Amounts.*

(a) All payments by or on behalf of the Company of principal of, and premium, if any, and interest on the Notes and all payments by or on behalf of any Subsidiary Guarantor under the Note Guarantees will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever (" *Taxes*") nature imposed or levied by the Cayman Islands or Macau (or any political subdivision or taxing authority thereof or therein) (each, as applicable, a " *Relevant Jurisdiction*"), unless such withholding or deduction is required by law. In such event, the Company or the applicable Subsidiary Guarantor, as the case may be, will make such withholding or deduction, make payment of the amount so withheld or deducted to the appropriate governmental authority as required by applicable law and will pay such additional amounts (" *Additional Amounts*") as will result in receipt by the Holder of such amounts as would have been received by such holder had no such withholding or deduction been required, *provided* that no Additional Amounts will be payable with respect to any Note or Note Guarantee for or on account of:

(1) any Taxes that would not have been imposed but for:

(A) the existence of any present or former connection between the Holder or beneficial owner of such Note or Note Guarantee, as the case may be, and the Relevant Jurisdiction including, without limitation, such holder or beneficial owner being or having been a citizen or resident of such Relevant Jurisdiction, being or having been treated as a resident of such Relevant Jurisdiction or being or having been present or engaged in a trade or business in such Relevant Jurisdiction or having or having had a permanent establishment in such Relevant Jurisdiction, other than merely holding such Note or the receipt of payments thereunder or under the Note Guarantee;

(B) the presentation of such Note (where presentation is required) more than thirty (30) days after the later of the date on which the payment of the principal of, premium, if any, or interest on, such Note became due and payable pursuant to the terms thereof or was made or duly provided for, except to the extent that the holder thereof would have been entitled to such Additional Amounts if it had presented such Note for payment on any date within such 30-day period;

(C) the failure of the Holder or beneficial owner of such Note or Note Guarantee to comply with a timely request of the Company or any Subsidiary Guarantor addressed to such Holder or beneficial owner to provide information concerning such Holder's or beneficial owner's nationality, residence, identity or connection with the Relevant Jurisdiction;

(D) the presentation of such Note (where presentation is required) for payment in the Relevant Jurisdiction, unless such Note could not have been presented for payment elsewhere; or

(E) any withholding or deduction that is required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), or otherwise pursuant to Section 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an inter-government approach thereto;

(2) any estate, inheritance, gift, sale, transfer, excise, personal property, net income or similar Tax;

(3) any withholding or deduction where such withholding or deduction is imposed or levied on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC (or any amendment thereof) or any other Directive (or any amendment thereof) implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directives or amendments;

(4) any Taxes that are payable other than withholding or deduction from payments of principal of, or premium, if any, or interest on the Note or payments under the Note Guarantees; or

(5) any combination of Taxes referred to in the preceding clauses (1), (2), (3) and (4); or

(b) with respect to any payment of the principal of, or premium, if any, or interest on, such Note or any payment under any Note Guarantee to or for the account of a fiduciary, partnership or other fiscally transparent entity or any other person (other than the sole beneficial owner of such payment) to the extent that a beneficiary or settlor with respect to that fiduciary, or a partner or member of that partnership or fiscally transparent entity or a beneficial owner with respect to such other person, as the case may be, who would not have been entitled to such Additional Amounts had such beneficiary, settlor, partner, member or beneficial owner held directly the Note with respect to which such payment was made.

(c) Whenever there is mentioned in any context the payment of principal of, and any premium or interest, on any Note or under any Note Guarantee, such mention will be deemed to include payment of Additional Amounts provided for in the Indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, the Registrars and the Paying Agent, at least 30 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If fewer than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase (i) in compliance with the requirements of the principal national securities exchange, if any, on which Notes are listed and any applicable depositary procedures, (ii) by lot or such other similar method in accordance with the applicable procedures of the Depositary or any other applicable clearing system (if the Notes are Global Notes), or (iii) if there are no such requirements of such exchange or the Notes are not then listed on a national securities exchange or cleared through the Depositary or any other applicable clearing system, on a *pro rata* basis or by such other method the Trustee deems fair and reasonable. No Notes of a principal amount of US$200,000 or less may be redeemed or purchased in part, and if Notes are redeemed or purchased in part, the remaining outstanding amount must be at least equal to US$200,000 and integral multiples of US$1,000 in excess thereof.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Registrar from the outstanding Notes not previously called for redemption or purchase.

The Registrar will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of US$200,000 or integral multiples of US$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date (with prior notice to the Trustee) if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note , *provided* that the unredeemed portion has a minimum denomination of US$200,000;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become due and payable on the redemption date at the redemption price stated in the notice, *provided*, that any notice of redemption given in respect of the redemption referred to in Section 5 of the Notes may, at the Company's discretion, be subject to the satisfaction of one or more conditions precedent, to the extent permitted by Section 5 of the Notes.

Section 3.05 *Deposit of Redemption or Purchase Price.*

No later than 10 a.m. New York time two Business Days prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to February 15, 2016, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture at a redemption price of 105.00% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 45 days of the date of the closing of such Equity Offering.

Any redemption notice given in respect of the redemption referred to in the preceding paragraph may be given prior to completion of the related Equity Offering, and any such redemption or notice may, at the discretion of the Company, be subject to the satisfaction of one or more conditions precedent, including the completion of the related Equity Offering.

(b) At any time prior to February 15, 2016, the Company may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to, the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Any such redemption and notice may, at the discretion of the Company, be subject to satisfaction of one or more conditions precedent.

(c) Except pursuant to the two preceding paragraphs, the Notes will not be redeemable at the Company's option prior to February 15, 2016.

(d) On or after February 15, 2016, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on February 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2016	103.750%
2017	102.500%
2018	101.250%
2019 and thereafter	100.000%

Any such redemption and notice may, at the discretion of the Company, be subject to the satisfaction of one or more conditions precedent. Unless the Company defaults in the payment of the redemption price or fails to satisfy the conditions precedent to the redemption and thereby terminates the redemption, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an " *Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than five Business Days after the termination of the Offer Period (the " *Purchase Date*"), the Company will apply all Excess Proceeds (the *"Offer Amount"*) to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Amounts, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum denominations of US$200,000 and integral multiples of US$1,000 in excess thereof only;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other *pari passu* Indebtedness to be purchased in accordance with Section 3.02 based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of US$200,000, or integral multiples of US$1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer), *provided* that the unpurchased portion has a minimum denomination of US$200,000.

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary (but subject to Section 3.02), the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered, *provided* that the unpurchased portion has a minimum denomination of US$200,000. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Taxation Reasons.*

The Notes may be redeemed, at the option of the Company, as a whole but not in part, upon giving not less than 30 days' nor more than 60 days' notice to Holders (which notice will be irrevocable), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Company for redemption (the "*Tax Redemption Date*") if, as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of a Relevant Jurisdiction affecting taxation; or

(2) any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction),

which change or amendment becomes effective on or after the date of this Indenture with respect to any payment due or to become due under the Notes, this Indenture or a Note Guarantee, the Company or a Subsidiary Guarantor, as the case may be, is, or on the next Interest Payment Date would be, required to pay Additional Amounts, and such requirement cannot be avoided by the Company or a Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; *provided* that for the avoidance of doubt, changing the jurisdiction of the Company or a Subsidiary Guarantor is not a reasonable measure for the purposes of this Section 3.10; *provided, further*, that no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Company or a Subsidiary Guarantor, as the case may be, would be obligated to pay such Additional Amounts if a payment in respect of the Notes were then due.

Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Company or a Subsidiary Guarantor will deliver to the Trustee:

(1) an Officer's Certificate stating that such change or amendment referred to in the prior paragraph has occurred, and describing the facts related thereto and stating that such requirement cannot be avoided by the Company or such Subsidiary Guarantor, as the case may be, taking reasonable measures available to it; and

(2) an Opinion of Counsel or an opinion of a tax consultant of recognized international standing stating that the requirement to pay such Additional Amounts results from such change or amendment referred to in the prior paragraph.

The Trustee will accept such certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

Any Notes that are redeemed will be cancelled.

Section 3.11 *Gaming Redemption.*

Each Holder, by accepting a Note, shall be deemed to have agreed that if the Gaming Authority of any jurisdiction in which the Company, any of its Subsidiaries or any Sponsor conducts or proposes to conduct gaming requires that a person who is a holder or the beneficial owner of Notes be licensed, qualified or found suitable under applicable Gaming Laws, such holder or beneficial owner, as the case may be, shall apply for a license, qualification or a finding of suitability within the required time period. If such Person fails to apply or become licensed or qualified or is found unsuitable, the Company shall have the right, at its option:

(1) to require such Person to dispose of its Notes or beneficial interest therein within 30 days of receipt of notice of the Company's election or such earlier date as may be requested or prescribed by such Gaming Authority; or

(2) to redeem such Notes, which redemption may be less than 30 days following the notice of redemption if so requested or prescribed by the applicable gaming authority, at a redemption price equal to:

(A) the lesser of:

(1) the person's cost, plus accrued and unpaid interest, if any, to the earlier of the redemption date or the date of the finding of unsuitability or failure to comply; and

(2) 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the earlier of the redemption date or the date of the finding of unsuitability or failure to comply; or

(B) such other amount as may be required by applicable law or order of the applicable Gaming Authority.

The Company shall notify the Trustee in writing of any such redemption as soon as practicable. Neither the Company nor the Trustee shall be responsible for any costs or expenses any Holder may incur in connection with such Holder's application for a license, qualification or a finding of suitability.

ARTICLE 4
COVENANTS

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium, if any, and interest and Additional Amounts, if any, on, the Notes on the dates and in the manner provided in the Notes. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates Deutsche Bank Trust Company Americas as one such office or agency of the Company in accordance with Section 2.03 hereof.

(16) the Incurrence by the Company or the Subsidiary Guarantors of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (16), not to exceed US$50.0 million.

The Company will not Incur, and will not permit any Subsidiary Guarantor to Incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Subsidiary Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company solely by virtue of being unsecured or by virtue of being secured on a first or junior Lien basis.

For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Company will be permitted to classify such item of Indebtedness on the date of its Incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09. Indebtedness under the Credit Facilities outstanding on the date on which Notes are first issued and authenticated hereunder will initially be deemed to have been incurred in reliance on the exception provided by clause (1) of the definition of Permitted Debt. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an Incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 4.09; provided, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of the Company as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Section 4.10 *Asset Sales*.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases the Company or such Restricted Subsidiary from further liability;

(B) any securities, notes or other Obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 90 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion; and

(C) any stock or assets of the kind referred to in Section 4.10(b)(2) or Section 4.10(b)(4).

Section 4.10(a) will not apply to any Asset Sale pursuant to clause (3) of the definition of "Asset Sale"

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to repay (a) Indebtedness incurred under Section 4.09 (b)(1), (b) other Indebtedness of the Company or a Subsidiary Guarantor secured by the asset that is the subject of such Asset Sale, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, or (c) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, a Person undertaking another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Person is or becomes a Restricted Subsidiary of the Company (*provided* that (a) such acquisition funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets or Capital Stock is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

(3) to make a capital expenditure (*provided* that any such capital expenditure funded with any proceeds from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that filings with the relevant Macau authorities have been made within 360 days of such Event of Loss, and (b) if such capital expenditure is not commenced in the time period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds); or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business (*provided* that (a) such acquisition funded from an Event of Loss occurs within the date that is 545 days after receipt of the Net Proceeds from the relevant Event of Loss to the extent that a binding agreement to acquire such assets is entered into on or prior to the date that is 360 days after receipt of the Net Proceeds from the relevant Event of Loss, and (b) if such acquisition is not consummated within the period set forth in clause (a), the Net Proceeds not so applied will be deemed to be Excess Proceeds);

or enter into a binding commitment regarding clauses (2) or (4) above (in addition to the binding commitments expressly referenced in those clauses), *provided* that such binding commitment shall be treated as a permitted application of Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 360 day period. To the extent such acquisition or expenditure is not consummated on or before such 180th day and the Company or such Restricted Subsidiary shall not have applied such Net Proceeds pursuant to clauses (2) or (4) above on or before such 180th day, such commitment shall be deemed not to have been a permitted application of Net Proceeds, and such Net Proceeds will constitute Excess Proceeds.

(c) Pending the final application of any Net Proceeds, the Company may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this Section 4.10 will constitute "Excess Proceeds". When the aggregate amount of Excess Proceeds exceeds US$5.0 million, within ten (10) days thereof, the Company will make an Asset Sale Offer to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest, if any, to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Company will purchase all tendered Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) The Company will comply with the requirements of Rule 14e-1, of applicable, under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue thereof.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an " *Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person that is not an Affiliate of the Company; and

(2) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$30.0 million, a resolution of the Board of Directors of the Company set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company or, if the Board of Directors of the Company has no disinterested directors, approved in good faith by a majority of the members of the Board of Directors of the Company; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of US$45.0 million, an opinion as to the fairness to the Company or such Restricted Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of national standing with experience appraising the terms and conditions of the type of transaction or series of related transactions.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan (including compensation, retirement, disability, severance and other similar plan), officer or director indemnification, stock option or incentive plan or agreement, employee equity subscription agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable officers' and directors' fees and reimbursement of expenses (including the provision of indemnity to officers and directors) to Persons who are not otherwise Affiliates of the Company;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company or contribution to the common equity capital of the Company;

(6) Restricted Payments (including any payments made under, pursuant to or in connection with any services agreements and any related agreements or arrangements, including reimbursement agreements, in connection with Excluded Projects) that do not violate Section 4.07 hereof;

(7) any agreement or arrangement existing on the Issue Date, including any amendments, modifications, supplements, extensions, replacements, terminations or renewals (so long as any such agreement or arrangement together with all such amendments, modifications, supplements, extensions, replacements, terminations and renewals, taken as a whole, is not materially more disadvantageous to the Company and its Restricted Subsidiaries, taken as a whole, than the original agreement or arrangement as in effect on the Issue Date, unless any such amendments, modifications, supplements, extensions, replacements, terminations or renewals are imposed by any Gaming Authority or any other public authority having jurisdiction over the Company or any of its Restricted Subsidiaries, including, but not limited to, the government of the Macau SAR);

(8) transactions or arrangements pursuant to any services agreements in effect as of the date hereof as disclosed in the Offering Memorandum;

(9) [Intentionally Omitted];

(10) transactions or arrangements with customers, clients, suppliers or sellers of goods or services in the ordinary course of business and otherwise in compliance with the terms of this Indenture, on terms that are fair to the Company or any of its Restricted Subsidiaries, as applicable, or are no less favorable than those that might reasonably have been obtained in a comparable transaction at such time on an arms-length basis from a Person that is not an Affiliate of the Company, unless any such amendments, modifications, supplements, extensions, replacements, terminations or renewals are imposed by any Gaming Authority or any other public authority having jurisdiction over the Company or any of its Restricted Subsidiaries, including, but not limited to, the government of the Macau SAR;

(11) execution, delivery and performance of any tax sharing agreement or the formation and maintenance of any consolidated group for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(12) provision by or from Persons who may be deemed Affiliates of the Company of group administrative, treasury, legal, accounting and similar services; and

(13) loans or advances to employees in the ordinary course of business not to exceed US$1.0 million in the aggregate at any one time outstanding.

Section 4.12 *Liens.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind on any asset now owned or hereafter acquired or any proceeds, income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens, or, if such Lien is not a Permitted Lien, unless the Notes and the Note Guarantees are secured on a *pari passu* basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Section 4.13 *Business Activities.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however,* that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.15 *Offer to Repurchase upon Change of Control.*

(a) Upon the occurrence of a Change of Control, each Holder will have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to a Change of Control Offer (as defined below) as set forth below. In the Change of Control Offer, the Company will offer to purchase the Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), except to the extent the Company has previously or concurrently elected to redeem the Notes pursuant to Section 3.07 hereof. Within twenty (20) days following any Change of Control, except to the extent that the Company has exercised its right to redeem the Notes by delivery of a notice of redemption pursuant to Section 3.03 hereof, the Company shall mail a notice (a "*Change of Control Offer*") to each Holder with a copy to the Trustee stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to repurchase such Holder's Notes at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the date of repurchase (subject to the right of holders of record on a record date to receive interest on the relevant interest payment date (the " *Change of Control Payment*"));

(2) the circumstances and relevant facts and financial information regarding such Change of Control;

(3) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the " *Change of Control Payment Date*");

(4) that any Note not tendered will continue to accrue interest;

(5) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(6) the Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) the Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased, and

(8) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, *provided* that the unpurchased portion has a minimum denomination of US$200,000.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any, *provided* that the unpurchased portion has a minimum denomination of US$200,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 hereof and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.03 hereof, unless and until there is a default in payment of the applicable redemption price.

(d) A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) Notes repurchased by the Company pursuant to a Change of Control Offer will have the status of Notes issued but not outstanding or will be retired and cancelled at the option of the Company. Notes purchased by a third party pursuant to the preceding paragraph will have the status of Notes issued and outstanding.

(f) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of the Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.15, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

Section 4.16 *Payments for Consents.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is (1) offered to be paid; and (2) is paid to all Holders that consent, waive or agree to amend within the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.17 *Additional Note Guarantees.*

(a) If the Company or any of its Restricted Subsidiaries acquires or creates another Restricted Subsidiary after the date hereof, the Company will cause that newly acquired or created Restricted Subsidiary to become a Subsidiary Guarantor and execute a supplemental indenture in the form attached as Exhibit D hereto and deliver an Opinion of Counsel satisfactory to the Trustee within ten (10) business days of the date on which it was acquired or created to the effect that such supplemental indenture and any other documents required to be delivered have been duly authorized, executed and delivered by such Restricted Subsidiary and constitute legal, valid, binding and enforceable Obligations of such Restricted Subsidiary, *provided* that this Section 4.17(a) will not apply to a Restricted Subsidiary that is an “investment company” as such term is defined in the Investment Company Act.

(b) Notwithstanding Section 4.17(a), the Company shall not be obliged to cause any such Restricted Subsidiary to Guarantee the Notes to the extent that such Note Guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (i) any liability for the officers, directors or shareholders of such Restricted Subsidiary or (ii) a violation of applicable law.

Section 4.18 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may re-designate any Unrestricted Subsidiary to be a Restricted Subsidiary if that re-designation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Company will be in Default of such covenant. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the reference period; and (2) no Default or Event of Default would be in existence following such designation. Any designation of a Subsidiary of the Company as a Restricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof.

Section 4.19 *Listing.*

The Company will use its commercially reasonable efforts to list and maintain the listing and quotation of the Notes on the Official List of the Singapore Exchange Securities Trading Limited or another comparable exchange.

Section 4.20 *[Intentionally Omitted]*.

Section 4.21 *[Intentionally Omitted.]*

Section 4.22 *[Intentionally Omitted.]*

Section 4.23 *[Intentionally Omitted.]*

Section 4.24 *[Intentionally Omitted.]*

Section 4.25 *[Intentionally Omitted.]*

Section 4.26 *Suspension of Covenants*

(a) The following covenants (the "*Suspended Covenants*") will not apply during any period during which the Notes have an Investment Grade Status (a "*Suspension Period*"): Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.12, Section 4.17 and Section 5.01(a)(3). During any Suspension Period, the Company will not and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create incur, assume or suffer to exist any Lien of any kind securing Indebtedness of the Company that is in the form of or represented by any bond, note, debenture, debenture stock, loan stock, certificate or other instrument which is listed, quoted or traded on any stock exchange or in any securities market (including any over-the-counter market) unless the Notes are secured on a *pari passu* basis with such Indebtedness. For the avoidance of doubt, such Indebtedness does not include any Indebtedness under any Credit Facilities. Additionally, during any Suspension Period, the Company will no longer be permitted to designate any Restricted Subsidiary as an Unrestricted Subsidiary.

(b) In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") the Notes cease to have Investment Grade Status, then the Suspended Covenants will apply with respect to events occurring following the Reversion Date (unless and until the Notes subsequently attain an Investment Grade Status, in which case the Suspended Covenants will again be suspended for such time that the Notes maintain an Investment Grade Status); *provided*, *however*, that no Default or Event of Default will be deemed to exist under the Indenture with respect to the Suspended Covenants, and none of the Company or any of its Subsidiaries will bear any liability for any actions taken or events occurring during a Suspension Period and before any related Reversion Date, or any actions taken at any time pursuant to any contractual obligation or binding commitment arising prior to such Reversion Date, regardless of whether those actions or events would have been permitted if the applicable Suspended Covenant had remained in effect during such period.

(c) On each Reversion Date, all Indebtedness Incurred during the Suspension Period prior to such Reversion Date will be deemed to be Indebtedness existing on the Issue Date and all Liens Incurred during any Suspension Period prior to such Reversion Date will be deemed to be Liens existing on the Issue Date. For purposes of calculating the amount available to be made as Restricted Payments under Section 4.07(a)(D) hereof on or after the Reversion Date, calculations under such covenant shall be made as though such covenant had been in effect during the entire period of time after the Issue Date (including the Suspension Period) except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended and the amount available to be made as a Restricted Payment under Section 4.07(a)(4)(C) hereof shall not be reduced to below zero.

(1) either:

(A) if the transaction or series of transactions is a consolidation of the Company with or a merger of the Company with or into any other Person, the Company shall be the surviving corporation of such merger or consolidation; or

(1) either:

(A) if the transaction or series of transactions is a consolidation of such Subsidiary Guarantor with or a merger of such Subsidiary Guarantor with or into any other Person, such Subsidiary Guarantor shall be the surviving corporation of such consolidation or merger; or

(B) the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made shall be a corporation organized and existing under the laws of the British Virgin Islands, Cayman Islands, Hong Kong, Macau, Singapore, United States, any state of the United States or the District of Columbia, and such Person shall expressly assume all the Obligations of such Subsidiary Guarantor under its Note Guarantee and this Indenture pursuant to supplemental indentures or other documents or agreements reasonably satisfactory to the Trustee; and

(2) immediately after such transaction, no Default or Event of Default exists;

provided, however, that the provisions of this Section 5.01(b) shall not apply if such Subsidiary Guarantor is released from its Note Guarantee as a result of such consolidation, merger, sale or other disposition pursuant to Section 11.08 hereof.

(c) This Section 5.01 will not apply to:

(1) a merger of the Company or a Subsidiary Guarantor, as the case may be, with an Affiliate solely for the purpose of reincorporating the Company or a Subsidiary Guarantor, as the case may be, in another jurisdiction; *provided* such jurisdiction is a jurisdiction listed in Section 5.01(b)(1)(B); or

(2) any consolidation or merger, or any sale, assignment, transfer, conveyance, or other disposition of assets between or among the Company and the Subsidiary Guarantors or between or among the Subsidiary Guarantors.

Section 5.02 *Successor Corporation Substituted.*

(5) default under any mortgage, indenture or instrument (other than the Senior Credit Agreement) under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or Note Guarantee now exists, or is created after the date of this Indenture, if that default:

(A) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a " *Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

(8) failure by the Company or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction (other than any judgment as to which a reputable third party insurer has accepted full responsibility and coverage) aggregating in excess of US$20.0 million, which judgments are not paid, discharged or stayed for a period of 60 days;

(9) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or of any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(12) the termination or rescission of any Gaming License or the Macau government takes any formal measure to do so.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in Section 6.01(a)(9) or 6.01(a)(10) hereof, with respect to the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest, premium or Additional Amounts, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Additional Amounts, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder; *provided* that Holders of not less than 90% of the aggregate principal amount of the then outstanding Notes shall be required to waive a continuing Default or Event of Default in the payment of the principal of, premium, Additional Amounts, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided further*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

(a) Subject to the provisions of this Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders unless such Holders have offered to the Trustee reasonable indemnity or security to its satisfaction against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest or Additional Amounts, if any, when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have made a written request to the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee security or indemnity to its satisfaction against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity to its satisfaction; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders to Receive Payment.*

Subject to Section 9.02 hereof, the right of any Holder to receive payment of principal, premium, Additional Amounts, if any, and interest on the Notes, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of Holders of not less than 90% of the aggregate principal of the then outstanding Notes; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a)(1) or (a)(2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, Additional Amounts, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and premium, if any and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.08 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, the Agents, and their respective agents and attorneys for amounts due under Section 7.08 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or any Agent, and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, Additional Amounts, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, Additional Amounts, if any, and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(3) other than with respect to a payment default, the Trustee shall not be charged with knowledge of any Default or Event of Default unless the Company has delivered written notice of such default or Event of Default to a Responsible Officer at the Corporate Trust Office of the Trustee referencing the applicable provision of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may engage and consult with professional advisors and counsel selected by it and the Trustee may rely conclusively upon advice of such professional advisors and counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon by the Trustee and any of its directors, officers, employees or agents duly appointed.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care. The Trustee shall have no duty to monitor the performance of such agents.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture. The Trustee shall not be required to take action at the direction of the Company or Holders which conflicts with the requirements of this Indenture, or for which it is not indemnified to its satisfaction, or which involves undue risk or would be contrary to applicable law or regulation.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer or a director of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and/or security satisfactory to the Trustee in its sole discretion against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(h) The recitals contained herein and in the Notes are made by the Company and not by the Trustee, and the Trustee assumes no responsibility for the correctness thereof. The Trustee makes no representation as to the validity or sufficiency of this Indenture or the Notes.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The rights, privileges, indemnity, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder, *provided, however* any such agent or custodian shall not be deemed to be a fiduciary;

(l) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture; and

(m) So long as any of the Notes remains outstanding, the Company shall provide the Agents with a sufficient number of copies of this Indenture and each of the documents sent to the Trustee or which are required to be made available by stock exchange regulations or stated in the Offering Memorandum relating to the Notes, to be available and, subject to being provided with such copies, each of the Agents will procure that such copies shall be available at its specified office during normal office hours for examination by the Holders and that copies thereof will be furnished to the Holders upon written request at their own expense.

Section 7.03 *[Intentionally Omitted.]*

Section 7.04 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. The Trustee is also subject to Section 7.11 hereof.

Section 7.05 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee shall not be deemed to be required to calculate any Fixed Charges, Treasury Rates, Additional Amounts, any make-whole amount, any Fixed Charge Coverage Ratio or other coverage ratio, or otherwise.

Section 7.06 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders a notice of the Default or Event of Default within ninety (90) days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, Additional Amounts, if any, or interest on, any Note, the Trustee shall not be deemed to have such actual knowledge and may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.07 *[Intentionally Omitted.]*

Section 7.08 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder pursuant to a written fee agreement executed by the Trustee and the Company. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses properly incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Subsidiary Guarantors will indemnify the Trustee (which for purposes of this Section 7.08, shall be deemed to include its officers, directors, employees and agents) against any and all losses, liabilities or expenses (including the fees and expenses of counsel) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Subsidiary Guarantors (including this Section 7.08) and defending itself against any claim (whether asserted by the Company, the Subsidiary Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable solely to its negligence, bad faith, willful default or fraud by a court of competent jurisdiction in a final non-appealable order. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Subsidiary Guarantors of their obligations hereunder. The Company or such Subsidiary Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Subsidiary Guarantor need to pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Subsidiary Guarantors under this Section 7.08 will survive the satisfaction and discharge of this Indenture, and the resignation or removal of the Trustee and/or any Agent, but only in relation to anything done or omitted to be done by the Trustee and/or any such Agent on or prior to such resignation or removal.

(d) To secure the Company's and the Subsidiary Guarantors' payment obligations in this Section 7.08, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(9) or Section 6.01(a)(10) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.09 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.09.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.11 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one (1) year after the successor Trustee takes office, the holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the sole expense of the Company.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.11 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.08 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.09, the Company's obligations under Section 7.08 hereof will continue for the benefit of the retiring Trustee.

Section 7.10 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.11 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof, the United Kingdom or Hong Kong that is authorized under such laws to exercise corporate trustee power and that has a combined capital and surplus of at least US$100.0 million as set forth in its most recent published annual report of condition.

Section 7.12 *Appointment of Co-Trustee.*

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction or otherwise, the Trustee shall have the power and may execute and deliver all instruments necessary to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustees, of all or any part of this Indenture, and to vest in such Person or Persons, in such capacity and for the benefit of the Holders, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 7.09 and no notice to the Holders of the appointment of any co-trustee or separate trustee shall be required.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) All rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee.

(2) No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(3) The Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Section 7.12. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies, and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 7.13 *[Intentionally Omitted].*

Section 7.14 *Rights of Trustee in Other Roles.*

All rights, powers and indemnities contained in this Article 7 shall apply to the Trustee in its other roles hereunder and the Agents, *provided, however*, that each Agent is an agent and not a fiduciary.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Subsidiary Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their Obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, " *Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Subsidiary Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Company's Obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee, the Paying Agent and the Registrar hereunder, and the Company's and the Subsidiary Guarantors' Obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Subsidiary Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19 and 5.01(a)(3) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, " *Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Subsidiary Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(3) through 6.01(a)(7) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government securities, or a combination of cash in U.S. dollars and non-callable U.S. Government securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium, and Additional Amounts, if any, on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that the holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

(8) The Trustee shall be entitled to its usual fees and, in addition, any fees and expenses properly incurred or charged by the Trustee and its counsel in connection with defeasance, satisfaction and discharge, and investment or custody services provided hereunder.

Section 8.05 *Deposited Money and U.S. Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable U.S. Government securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the " *Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and Additional Amounts, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable U.S. Government securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or Additional Amounts, if any, or interest on, any Note and remaining unclaimed for two (2) years after such principal, premium, or Additional Amounts, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than thirty (30) days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Subsidiary Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium or Additional Amounts, if any, or interest on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company, the Subsidiary Guarantors, the Trustee, and each Agent, as the case may be, may amend or supplement this Indenture, the Notes and the Note Guarantees, without the consent of any Holder:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of the Company's or a Subsidiary Guarantor's obligations to Holders and under the Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Subsidiary Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;

(5) to conform the text of this Indenture or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of the Notes or this Indenture;

(6) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date of this Indenture; or

(7) to allow any Subsidiary Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes or to release any Subsidiary Guarantor from its Note Guarantee in accordance with the terms of this Indenture.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee and each Agent will join with the Company and the Subsidiary Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but neither the Trustee nor any Agent will be obligated to (although they may at their discretion) enter into such amended or supplemental indenture that affects their own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Trustee and each Agent may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes, and the Company, the Subsidiary Guarantors and the Trustee, as the case may be, may amend or supplement the Note Guarantees, with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium or Additional Amounts, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes or the Note Guarantees, may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes).

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon delivery to the Trustee of evidence satisfactory to the Trustee of the consent of the holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 13.04 and 13.05 hereof, the Trustee and each Agent will join with the Company and the Subsidiary Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects either the Trustee's or any Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee and each Agent (as the case may be) may in their discretion, but will not be obligated to, enter into such amended or supplemental indenture.

It is not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes. However, without the consent of Holders of 90% of the aggregate principal amount of Notes (including the Additional Notes) affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes (including the Additional Notes) held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of, premium, if any, or change the fixed maturity of any Note or alter or waive any provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or interest, premium or Additional Amounts, if any, on, the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest, premium or Additional Amounts, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or 4.15 hereof);

(8) release any Subsidiary Guarantor from any of its Obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Supplemental Indenture.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by such Holder and every subsequent holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee will (subject to Section 7.01 hereof and in addition to Section 7.02 hereof) be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that the supplemental indenture is legal, valid, binding and enforceable against the Company in accordance with its terms and such other matters as the Trustee may request. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

[INTENTIONALLY OMITTED]

ARTICLE 11
NOTE GUARANTEES

Section 11.01 *Guarantee.*

(a) Each Subsidiary Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees to each Holder and to the Trustee, successors and assigns (1) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, interest, premium or Additional Amounts, if any, on the Notes and all other monetary obligations of the Company under this Indenture and the Notes and (2) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the " *Guaranteed Obligations*"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 11 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (1) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes or any other agreement or otherwise; (2) any extension or renewal of any thereof; (3) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (4) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (5) any change in the ownership of such Subsidiary.

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, each Subsidiary Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (1) the unpaid principal amount of such Guaranteed Obligations, (2) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (3) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of Section 11.01.

(i) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee in enforcing any rights under this Section 11.01.

(j) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 11.02 *Limitation on Liability.*

Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Subsidiary Guarantor without rendering the Note Guarantee, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to ultra vires, fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally or other considerations under applicable law.

Section 11.03 *Successors and Assigns.*

This Article 11 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 11.04 *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 11 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 11 at law, in equity, by statute or otherwise.

Section 11.05 *Modification.*

No modification, amendment or waiver of any provision of this Article 11, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 11.06 *Execution of Supplemental Indenture for Future Guarantors.*

Each Restricted Subsidiary which is required to become a Subsidiary Guarantor pursuant to Section 4.17 shall promptly execute and deliver to the Trustee a supplemental indenture in the form attached as Exhibit D hereto pursuant to which such Subsidiary shall become a Subsidiary Guarantor under this Article 11 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Company shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Subsidiary Guarantor is a legal, valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

Section 11.07 *Non-Impairment.*

The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

Section 11.08 *Release of Guarantees.*

(a) Subject to paragraphs (b), (c) and (d), each Note Guarantee, once it becomes due, is a continuing guarantee and shall (i) remain in full force and effect until payment in full of all the Guaranteed Obligations, (ii) be binding upon each Subsidiary Guarantor and its successors and (iii) inure to the benefit of, and be enforceable by, the Trustee, the Holders and their successors, transferees and assigns.

(b) Each Note Guarantee by a Subsidiary Guarantor shall be automatically and unconditionally released and discharged, and each Subsidiary Guarantor and its obligations under the Note Guarantee and this Indenture shall be released and discharged:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger or, consolidation) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, if the sale or other disposition does not violate Sections 3.09 or 4.15 hereof;

(2) in connection with any sale or other disposition of the Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, if the sale or other disposition does not violate Sections 3.09 or 4.15 hereof;

(3) if the Company designates any Restricted Subsidiary that is a Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.18 hereof;

(4) upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Indenture as provided by Articles 8 and 12 of this Indenture;

(5) [Intentionally Omitted];

(6) upon the merger or consolidation of any Subsidiary Guarantor with and into the Company or a Wholly-Owned Subsidiary Guarantor (or a Wholly-Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction) that is the surviving Person in such merger or consolidation, or upon the liquidation of such Subsidiary Guarantor following the transfer of all or substantially all of its assets to the Company or a Wholly-Owned Subsidiary Guarantor (or a Wholly-Owned Restricted Subsidiary that becomes a Subsidiary Guarantor concurrently with the transaction); or

(c) [Intentionally Omitted]:

(d) Each Holder hereby authorizes the Trustee to take all actions to effectuate any release in accordance with the provisions of this Section 11.08, subject to customary and reasonably satisfactory protections and indemnifications provided by the Company to the Trustee.

ARTICLE 12
SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one (1) year and the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government securities, or a combination of cash in U.S. dollars and non-callable U.S. Government securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;

(3) the Company or any Subsidiary Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Additional Amounts, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any cash in U.S. dollars or non-callable U.S. Government securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium or Additional Amounts, if any, or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash in U.S. dollars or non-callable U.S. Government securities held by the Trustee or Paying Agent.

The Company will pay interest and Additional Amounts, if any, semi-annually in arrears on February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an " *Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be , 20 . The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts (without regard to any applicable grace period) at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year comprising twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Company will pay interest on the Notes (except defaulted interest) and Additional Amounts, if any, to the Persons who are registered Holders of Notes at the close of business on the February 1 or August 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, and Additional Amounts, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their address set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Additional Amounts, if any, on, all Global Notes and all other Notes, the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent, and shall so notify the Trustee and each Paying Agent thereof. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Deutsche Bank Trust Company Americas will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without notice to any holders of the Notes. The Company or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) Except as set forth in subparagraphs (b) and (c) of this Paragraph 5, the Company will not have the option to redeem the Notes prior to February 15, 2016. On or after February 15, 2016, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on February 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

2018	101.250%
2019 and thereafter	100.000%

Any such redemption and notice may, at the discretion of the Company, be subject to the satisfaction of one or more conditions precedent. Unless the Company defaults in the payment of the redemption price or fails to satisfy the conditions precedent to the redemption and thereby terminates the redemption, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(b) Notwithstanding the provisions of subparagraph (a) of this Paragraph 5, at any time prior to February 15, 2016, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture at a redemption price equal to 105.00% of the principal amount thereof, *plus* accrued and unpaid interest and Additional Amounts, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 65% in aggregate principal amount of the Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption and that such redemption occurs within 45 days of the date of the closing of such Equity Offering.

Any redemption notice given in respect of the redemption referred to in the preceding paragraph may be given prior to completion of the related Equity Offering, and any such redemption or notice may, at the discretion of the Company, be subject to the satisfaction of one or more conditions precedent, including the completion of the related Equity Offering.

(c) At any time prior to February 15, 2016, the Company may also redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest, if any, to the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Notes in denominations larger than US$200,000 may be redeemed in part but only in integral multiples of US$1,000 *provided* that the unredeemed part has a minimum denomination of US$200,000, unless all of the Notes held by a Holder are to be redeemed.

Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(14) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Company, as such, will not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(15) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS*. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW*. THE LAWS OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

G. This Amendment is being executed and delivered by the parties in accordance with clause 41.1 of the Shareholders' Agreement.

AGREED TERMS

1. **Definitions**

In this document:

(a) **New Cotai Financing** means the issuance or sale of equity interests in New Cotai and/or one or more of its Affiliates and/or the arranging of loans or other borrowings by New Cotai or such Affiliates for the purposes of, or in connection with, raising funds to enable New Cotai to exercise the New Cotai Equity Option.

in each case for the financing of the development and construction of the MSC Property in an aggregate amount at least equal to US$2,200 million (such amount being prior to the payment of any underwriters' fees and any other expenses or costs incurred by the Company in connection with such financing).

(d) **Specified Project Value** means the sum of (x) US$1,560 million, plus (y) the aggregate amount funded from time to time pursuant to the MCE Follow On Commitment (whether funded by MCE Cotai or New Cotai).

(b) If New Cotai wishes to exercise the New Cotai Equity Option it must serve a notice on MCE Cotai and the Company (Exercise Notice) specifying:

(i) that it is exercising the New Cotai Equity Option;

(ii) the Financial Interest in the MCE Follow On Commitment that it is acquiring from MCE Cotai (which, for the avoidance of doubt, may be any amount greater than zero and up to but not exceeding 40%); and

(iii) the date and time for the closing of the New Cotai Equity Option, which date shall be no later than 30 days after the New Cotai Equity Option is exercised in accordance with **clause 3(c)** below and shall coincide with the execution and delivery of the commitment letters referred to in **clause 3(d)** below and, to the extent applicable, the Transfer of Subject Securities as set out in **clause 3(e)** below.

(c) The New Cotai Equity Option shall be taken to have been exercised on the date the Exercise Notice is deemed given in accordance with clause 39 of the Shareholders' Agreement.

(d) At the closing of the exercise of the New Cotai Equity Option:

(i) Schedule 1 of the Shareholders' Agreement shall be amended to reflect the change in the Financial Interests held by the Shareholders in the MCE Follow On Commitment as a result of the closing of the New Cotai Equity Option;

(ii) New Cotai shall procure that the Silver Point Funds and the Oaktree Funds, or other parties reasonably acceptable to MCE, execute and deliver to the Company commitment letters with a maximum aggregate commitment equal to (A) the product of (x) the Financial Interest in the MCE Follow On Commitment being acquired by New Cotai, multiplied by (y) US$350 million less (B) any amounts payable by New Cotai to MCE Cotai pursuant to **clause 3(e)** below. Such commitment letters shall be in substantially the same form as the MCE commitment letter referred to in **clause 2(d)** above and be provided on a several and not joint basis;

(iii) the MCE commitment letter referred to in **clause 2(d)** above shall be amended to reduce the maximum commitment thereunder by an amount corresponding to the amount computed in **clause 3(d)(ii)** above; and

(iv) unless **clause 3(e)** below applies, no monies or other consideration of any kind must be paid by New Cotai to MCE, MCE Cotai, the Company or any other Person on account of the exercise by New Cotai of the New Cotai Equity Option or the closing thereof.

(e) If, at the closing of the exercise of the New Cotai Equity Option, there are Securities outstanding that were issued to MCE Cotai in respect of the MCE Follow On Commitment (**Subject Securities**), then at such closing:

(i) New Cotai shall purchase and acquire from MCE Cotai, and MCE Cotai shall Transfer to New Cotai, a number of Subject Securities equal to the product of (x) the total number of Subject Securities then held by MCE Cotai, multiplied by (y) the Financial Interest in the MCE Follow On Commitment being acquired by New Cotai at the closing of the New Cotai Equity Option;

(ii) such Subject Securities shall be Transferred to New Cotai free of any Encumbrances (except any Encumbrances in favor of any Project Lender that were granted in accordance with the Shareholders' Agreement and which are common to all Securities);

(iii) the purchase price for such Subject Securities shall be the same as the issue price for such Subject Securities; and

(iv) the Company shall update the share register to reflect the Transfer of such Subject Securities from MCE Cotai to New Cotai.

If at the time of the purchase of the Subject Securities by New Cotai, those Subject Securities are not the subject of an existing Encumbrance granted by New Cotai to any Project Lender, New Cotai agrees that, if requested by any Project Lender, it will grant such Encumbrances over the Subject Securities as may be purchased by New Cotai under this clause on such terms as any Project Lender may reasonably request and as are common to all Securities.

(f) All amounts in **clause 3(e)** above must be paid by New Cotai in immediately available funds by wire transfer to an account that has been notified by MCE to New Cotai at least three Business Days prior to the payment date. If required, New Cotai must also pay to MCE Cotai on demand and upon presentation of reasonable supporting documentation any documentary, sales, use, registration, transfer, stamp, recording, or similar tax (for the avoidance of doubt and without limitation, not including income, gains, profits, or any similar Taxes or any withholding or deduction with respect thereto) suffered or incurred by MCE Cotai arising solely as a result of the Transfer of any Subject Securities under this **clause 3**. The parties shall use commercially reasonable endeavors to effect the Transfer of Subject Securities in a manner that minimizes any such documentary, sales, use, registration, transfer, stamp, recording, or similar tax.

(g) Any rights attaching to Subject Securities transferred under this **clause 3** will be transferred with effect from the date of transfer to New Cotai.

(h) Any provisions contained in the Shareholders' Agreement that purport to restrict the Transfer of Securities by an MCE Shareholder shall not apply to the Transfer of Securities contemplated by **clause 3(e)** above.

(i) If New Cotai fails to subscribe for any Securities required to be subscribed by it under clause 17 of the Shareholders' Agreement on or before the date specified in the relevant Call Notice then, and without limiting any rights that MCE Cotai and MCE may have under the Shareholders' Agreement, a portion of the New Cotai Equity Option equal to the percentage of such Securities New Cotai fails to subscribe for will be immediately cancelled and New Cotai will cease to have any rights under this **clause 3** with respect to such portion of the New Cotai Equity Option so cancelled. By way of example, if New Cotai fails to subscribe for 50% of the Securities required to be subscribed by it under clause 17 of the Shareholders' Agreement on or before the date specified in the relevant Call Notice, then 50% of the New Cotai Equity Option will be cancelled such that New Cotai will only be entitled to acquire from MCE Cotai a Financial Interest in the MCE Follow On Commitment in an amount up to but not exceeding 20%.

4. **Financing Cooperation**

(a) If New Cotai requires any information (including financial information) relating to a Group Company in connection with the New Cotai Financing, New Cotai may request MCE for that information and MCE shall use its commercially reasonable endeavors to provide such information, or procure the provision of such information by a Group Company, to such persons and subject to such conditions that are reasonable under the circumstances having regard to the information requested, the purpose of the information requested and its intended use and subject to **clause 4(c)** below. Such conditions may include the entry into a confidentiality agreement by the recipient on reasonable and customary terms (and in any event on terms no more onerous to them than the terms of the Confidentiality Deed).

(b) If New Cotai requires any cooperation or assistance from Group Company personnel in connection with the New Cotai Financing, including but not limited to, making senior management reasonably available for management meetings with prospective investors or lenders in Hong Kong and cooperating with prospective investors or lenders in performing their due diligence, New Cotai may request the Group Company for that cooperation and assistance (with notice to MCE) and MCE shall use its commercially reasonable endeavors to procure such cooperation and assistance, subject to such conditions that are reasonable under the circumstances having regard to the cooperation or assistance required, the purpose of such cooperation and assistance and subject to **clause 4(c)** below.

(c) Despite **clauses 4(a)** and **4(b)** above, MCE shall not be required to provide information, cooperation or assistance, or to cause any Group Company to so provide, in connection with the New Cotai Financing, to the extent that:

(i) to do so would violate any applicable law, order, regulation or rule, including the rules of any stock exchange on which MCE's securities are listed at the relevant time; or

(ii) such information, cooperation or assistance is requested during a share trading black out period of MCE or its affiliates, and the cooperation and assistance (including the provision of any information) could reasonably be expected to lead to disclosure of material price sensitive information of MCE or its affiliates, or the cooperation or assistance could reasonably be expected to lead to a request for the provision of, or a query in connection with, any material price sensitive information of MCE or its affiliates.

(d) New Cotai shall, promptly upon request by MCE, reimburse MCE and, to the same extent (if any) as MCE reimburses the Group for similar assistance, each relevant Group Company for all reasonable and documented out-of-pocket costs and expenses incurred by MCE or the relevant Group Company in connection with any information provided for in **clause 4(a)** or any cooperation and assistance provided for in **clause 4(b)** above.

(e) Any cooperation or assistance or information provided by MCE, or procured by MCE on behalf of any Group Company, under this **clause 4** is provided on a no liability basis, and New Cotai agrees to indemnify MCE and any Group Company from any claim or loss suffered or incurred by MCE or any Group Company arising from, or in connection with:

(i) any cooperation or assistance provided by Group Company personnel under this **clause 4**;

(ii) any statements made or information provided by MCE or any Group Company to New Cotai under this **clause 4** (including where any statements or information are relied upon in any document or representations made in connection with the New Cotai Financing);

(iii) any documentation prepared in connection with the New Cotai Financing;

(iv) any breach of this **clause 4** by New Cotai;

(v) any breach of any law, order, regulation or rule, including the rules of any stock exchange that is a direct result of a breach of this **clause 4** by New Cotai; or

(vi) any breach of any securities law by New Cotai in connection with the New Cotai Financing.

(f) Despite **clause 4(e)**, New Cotai will not be liable to MCE or any Group Company, nor will MCE be relieved from liability, in connection with any claim or loss arising from, or in connection with:

(i) the fraud of MCE or any Group Company; or

(ii) any act or omission of MCE or any Group Company that amounts to gross negligence or wilfully misleading or deceptive conduct.

(g) The provisions of this **clause 4** shall apply only to the extent of any cooperation or assistance or information that New Cotai is not already entitled to receive under the Shareholders' Agreement.

5. **General**

(a) Except as expressly modified by this Amendment, all of the terms, covenants, agreements, conditions and other provisions of the Shareholders' Agreement shall remain in full force and effect in accordance with their respective terms. As used in the Shareholders' Agreement, the terms "this Agreement," "herein," "hereinafter," "hereunder," "hereto" and words of similar import shall mean and refer to, from and after the date hereof, unless the context otherwise requires, the Shareholders' Agreement as amended by this Amendment.

(b) This Amendment may be executed in multiple counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which shall together be considered one and the same agreement, and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties. Delivery of an executed counterpart of a signature page to this Amendment by facsimile transmission or by electronic transmission of a .pdf or other electronic file shall be as effective as delivery of a manually signed counterpart of this Amendment.

(c) This Amendment is governed by and is to be construed in accordance with the laws applicable in Hong Kong.

(b) The Licensees agree to do all things reasonably required by any MCE Party (including execute any document and deliver any notice) in connection with the creation by any MCE Party, any MCE Designated Entity, or any of its or their Affiliates, of any Encumbrance over, or rights in favour of any Person over, their rights and interests in the Casino License (including the Escrow Account), the Project, or under any Transaction Document or Ancillary Document or in connection with the enforcement of any rights under any such Encumbrance or in favour of any Person.

SECTION 5. CONTRIBUTIONS OF LICENSEES

5.01 Equal Contribution

Each of the Philippine Parties and MCE Leisure shall make contributions under this Section 5 in order to fund the Investment Commitment.

5.02 Contribution of Licensees

The Licensees contribution to the Investment Commitment shall be as follows:

(a) For the amount of U.S. Dollars: Six Hundred Fifty Million (US$650,000,000.00):

(i) the Philippine Parties agree to contribute to the Project, the Land and Building Structures (including Podium Façade up to the amount of U.S. Dollars: One Million (US$1,000,000.00)) and having an aggregate value as determined by PAGCOR of not less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00); and

(ii) MCE Leisure agrees to contribute, or cause an MCE Designated Entity to contribute, to the Project the fit-out and furniture, gaming equipment, additional improvements, inventory and supplies as well as intangible property and entertainment facilities inside or outside of the Building Structures and having an aggregate value as determined by PAGCOR of not less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00).

(b) For the remaining amount of the Investment Commitment, being U.S. Dollars: Three Hundred Fifty Million (US$350,000,000.00): the Philippine Parties and MCE Leisure will make equal contributions of U.S. Dollars: One Hundred Seventy Five Million (US$175,000,000.00) to the Project (as may be reduced in respect of each of the Philippine Parties and MCE Leisure in accordance with Sections 5.02(c) or 5.03 (as applicable)) and in each case without set-off or deduction (except as expressly provided in this Agreement).

(c) The Philippine Parties and the MCE Parties agree that any working capital contributed to the Project by the MCE Parties or any of the MCE Designated Entities after Opening shall be counted towards, and taken into account for the purposes of determining, the amount contributed by MCE Leisure under Section 5.02(b).

(d) The Philippine Parties and the MCE Parties agree that for the purposes of this Section 5.02, (i) amounts contributed by the MCE Parties under Section 5.02(a)(ii) prior to Closing will, subject to that Section, count towards the MCE Parties' contribution to the Investment Contribution, and (ii) working capital shall include cage cash (gaming), opening cash balance (non-gaming) and inventories (including guest supplies, food and beverage).

5.03 PAGCOR Determination

(a) The Philippine Parties agree that if, for whatever reason, the value of the Land and Building Structures contributed by the Philippine Parties under Section 5.02(a)(i) is determined by PAGCOR for the purposes of calculating the amount contributed by the Licensees under the Casino License to:

(i) be less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00) then the Philippine Parties shall be liable to contribute to the Project the amount by which the value determined by PAGCOR is less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00); or

(ii) exceed U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00) then the amount required to be contributed by the Philippine Parties under Section 5.02(b) shall be reduced by the amount of that excess.

(b) The Philippine Parties must within ten (10) Business Days of becoming liable to make any contribution to the Project under Section 5.03(a)(i), promptly pay into the Escrow Account the amount liable to be contributed by them under that Section.

(c) MCE Leisure agrees that if, for whatever reason, the amount contributed by MCE Leisure under Section 5.02(a)(ii) is determined by PAGCOR for the purposes of calculating the amount contributed by the Licensees under the Casino License to:

(i) be less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00) then MCE Leisure shall be liable to contribute to the Project the amount by which the value determined by PAGCOR is less than U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00); or

(ii) exceed U.S. Dollars: Three Hundred Twenty Five Million (US$325,000,000.00) then the amount required to be contributed by MCE Leisure under Section 5.02(b) shall be reduced by the amount of that excess.

(d) MCE Leisure must within ten (10) Business Days of becoming liable to make any contribution to the Project under Section 5.03(c)(i), promptly pay into the Escrow Account the amount liable to be contributed by it under that Section.

5.04 Contribution Timing and Mechanism

(a) The Licensees agree that the Investment Commitment will be contributed as follows:

(i) in the case of the Land, on Closing;

(ii) in the case of the Building Structures, in relation to such structures as are constructed on the Land on Closing, on that date, and thereafter on a daily basis as the structures are constructed (or any maintenance or repair undertaken);

(iii) in relation to the value to be contributed, or caused to be contributed, by MCE Leisure under Section 5.02(a)(ii) as it is installed in the Building Structures or provided to the Project;

(iv) in relation to any working capital, as it is provided by, or caused to be provided by, MCE Leisure in connection with the operation of the Project; or

(v) in relation to any cash amount, in accordance with Sections 5.03(b), 5.03(d) or 5.05 (as applicable).

(b) The Licensees agree that if the Land and Building Structures cease to be leased to MCE Leisure or an MCE Designated Entity under the Belle Lease, or the Belle Lease ceases to be registered on the Certificate of Title of the Land (noting MCE Leisure or an MCE Designated Entity's rights under the Belle Lease), then the Land and Building Structures will cease to be contributed to the Investment Commitment for the purposes of this Section 5 and must be immediately re-contributed.

5.05 Contributions under Section 5.02(b)

(a) The Licensees agree that if MCE Leisure determines that a contribution is required to be made by the Licensees towards the Investment Commitment under Section 5.02(b) it shall serve a notice on each Licensee ("Proposal Notice"):

(i) specifying in reasonable detail the purpose for which the contribution is required to be made to the Project ("Proposal");

PURCHASE AGREEMENT

November 16, 2012

Each of the institutions named in Schedule A hereto
(each, an "**Initial Purchaser**" and, collectively, the "**Initial Purchasers**")

Ladies and Gentlemen:

Studio City Finance Limited, a BVI business company with limited liability incorporated under the laws of the British Virgin Islands (the " **Issuer**"), confirms its agreement with the Initial Purchasers with respect to the issuance and sale by the Issuer and the purchase by the Initial Purchasers, acting severally and not jointly, of the respective principal amounts set forth in Schedule A hereto of US$825,000,000 aggregate principal amount of the Issuer's 8.500% Senior Notes due 2020 (the "**Notes**"), subject to the terms and conditions set forth in this purchase agreement (this " **Agreement**"). The Notes are to be issued pursuant to an indenture (the "**Indenture**"), dated as of the Closing Date (as defined below), among the Issuer, DB Trustees (Hong Kong) Limited, as trustee (the "**Trustee**") and the existing subsidiaries of the Issuer listed on Schedule B hereto (each, a "**Subsidiary Guarantor**" and collectively, the "**Subsidiary Guarantors**").

The Issuer's obligations under the Notes, including the due and punctual payment of interest on the Notes, will be jointly, severally and unconditionally guaranteed on a senior basis by each of the Subsidiary Guarantors pursuant to the Indenture. Under the terms of an escrow agreement (the " **Escrow Agreement**") to be entered into on the Closing Date (as defined below) between the Issuer and Bank of China Limited, Macau Branch, as escrow agent (the "**Escrow Agent**"), the Issuer will deposit in an escrow account (the "**Escrow Account**") established by the Issuer with the Escrow Agent an amount at least equal to the net proceeds from the offering of the Notes. The Notes will be subject to a special mandatory redemption at a redemption price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon from and including the Closing Date (as defined below) through the Special Mandatory Escrow Redemption Date (as defined in the Offering Memorandum) (the " **Escrowed Funds**"). DB Trustees (Hong Kong) Limited, as collateral agent for the holders of the notes (the "**Collateral Agent**"), will have a perfected security interest in the Escrow Account and the Escrowed Funds contained therein on an exclusive basis for the benefit of the holders of the Notes.

Prior to the Closing Date (as defined below) and in addition to the Escrow Account, the Issuer will be required to establish (i) a note proceeds account (the "**Note Proceeds Account**"), (ii) a note interest reserve account (the "**Note Interest Reserve Account**"), (iii) a note interest accrual account (the "**Note Interest Accrual Account**"), and (iv) a Hong Kong dollar note disbursement account and a U.S. dollar note disbursement account (together, the " **Note Disbursement Accounts**"), each as described in the Offering Memorandum (and each of (i) – (iv) or any one of them, the " **Notes Accounts**"). Upon release from the Escrow Account in accordance with the Escrow Agreement, the Escrowed Funds (after the funding of the Note Interest Reserve Account) will be deposited in the Notes Proceeds Account. If no funds have been released from the Notes Proceeds Account by the date set forth in the Indenture, the Notes are subject to a Mandatory Note Proceeds Redemption, at a redemption price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon from the last interest payment date through the Special Mandatory Note Proceeds Redemption Date.

On the Closing Date (as defined below), the Issuer and Studio City Company Limited, among others, will enter into the Note Disbursement and Account Agreement, which will, among other things, establish the conditions and sequence for disbursements from the project accounts.

The Notes will be secured by (i) a first-priority security interest in the Escrow Account, the Note Proceeds Account, the Note Interest Reserve Account, the Note Interest Accrual Account and the Note Disbursement Accounts and (ii) a pledge of the intercompany note proceeds loan to be entered into on the Closing Date (as evidenced by an intercompany promissory note (the "**Intercompany Promissory Note**"), to be issued by Studio City Investments Limited on the same date thereof). As used herein, the term "**Notes**" shall include the guarantees thereof (the "**Guarantees**") by the Subsidiary Guarantors, unless the context otherwise requires, and this Agreement, the Indenture, the Notes, the Intercompany Promissory Note, the Escrow Agreement, the Security Documents, and the Note Disbursement and Account Agreement and any other documents entered into in connection with the offer and sale of the Notes are referred to herein as the "**Operative Documents**."

In connection with the Offering, the Issuer has made a listing application to, and approval-in-principle has been obtained from, the Singapore Exchange Securities Trading Limited (the "**SGX-ST**") for the listing on the SGX-ST of the Notes.

The Issuer understands that the Initial Purchasers propose to make the Offering on the terms and in the manner set forth herein and agrees that the Initial Purchasers may resell, subject to the conditions set forth herein, all or a portion of the Notes to purchasers (" **Subsequent Purchasers**") at any time after this Agreement has been executed and delivered. The Notes are to be offered and sold through the Initial Purchasers without being registered under the United States Securities Act of 1933 (as amended, the "**1933 Act**"), in reliance upon exemptions therefrom. Pursuant to the terms of the Notes and the Indenture, investors that acquire Notes may only resell or otherwise transfer such Notes (A) (i) if such Notes are hereafter registered under the 1933 Act or (ii) if an exemption from the registration requirements of the 1933 Act is available for such resale or transfer (including, without limitation, the exemptions afforded by Rule 144A under the 1933 Act ("**Rule 144A**"), or Regulation S under the 1933 Act (" **Regulation S**") and (B) in compliance with transfer restrictions set forth in the Offering Memorandum under the caption "Transfer Restrictions".

There are no other contracts that are material to the operation of the Issuer's or its subsidiaries' business than the Material Contracts, and each Material Contract to which the Issuer or any of its subsidiaries is a party has been duly authorized, executed and delivered by the Issuer and/or such subsidiary, as applicable, and assuming due authorization, execution and delivery by the other parties thereto, constitutes a legal, valid and binding agreement of such parties, enforceable against the Issuer and such subsidiary, as the case may be, in accordance with its terms, in each case, except as enforcement thereof may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general principles of equity.

Neither the Issuer nor any of its subsidiaries has received any notice or communication of infringement of or conflict with asserted rights of others with respect to any intellectual property rights of others that, if determined adversely to the Issuer or any of its subsidiaries would, individually or in the aggregate, have a Material Adverse Effect.

(xiv) Absence of Other Material Contracts or Documents. There are no material claims by the Issuer or any of its subsidiaries under any such policy or instrument as to which any insurance company is denying liability or defending under a reservation of rights clause. Neither the Issuer nor any of its subsidiaries has a reason to believe that it will not be able to renew its existing renewable insurance as and when such coverage expires or will not be able to obtain replacement insurance adequate for the conduct of the business and the value of its properties at a cost that would not have a Material Adverse Effect.

The Initial Purchasers shall be entitled to offset from the payment of the Purchase Price for the Notes the costs and expenses which the Issuer and the Subsidiary Guarantors have agreed to pay pursuant to Section 4 of this Agreement pursuant to the engagement letter entered into by the Initial Purchasers with Studio City International Holdings Limited dated October 19, 2012 (the " **Engagement Letter**").

(d) *Stabilization.* Deutsche Bank AG, Singapore Branch, as Stabilizing Manager (or any person duly appointed as acting for the Stabilizing Manager) may, to the extent permitted by applicable laws and regulations, over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Issuer. Each Initial Purchaser acknowledges that, in order to assist in the orderly distribution of the Notes, the Stabilizing Manager may, after consultation with the other Initial Purchasers, overallot in arranging subscriptions, sales and purchases of the Notes and may subsequently make purchases and sales of the Notes, in addition to the Purchase Percentage, in the open market or otherwise, on such terms as the Stabilizing Manager deems advisable. All such purchases, sales and overallotments shall be made in accordance with applicable law for the account of each Initial Purchaser, and may be reallocated among the Initial Purchasers in proportion to the ratio that each Initial Purchaser's underwriting commitment bears to the aggregate principal amount of the Notes; provided, however, notwithstanding the foregoing, upon consultation by the Stabilizing Manager with the Initial Purchasers, each Initial Purchaser shall be responsible for managing its individual long or short position (the "**Individual Position**") and may cover any short position, sell any long position and/or engage in hedging activities in respect of its Individual Position (collectively, the "**Stabilizing Activities**"). "**Purchase Percentage**" means the principal amount of Notes subscribed for by an Initial Purchaser as a ratio of the aggregate principal amount of the Notes. Each Initial Purchaser shall be liable for any loss, or entitled to any profit, arising from its own Stabilizing Activities and, for the avoidance of doubt, no Initial Purchaser shall be liable for the loss, or entitled to any profit, arising from the Stabilizing Activities of any other Initial Purchaser's Individual Position. All Stabilizing Activities and any gains or losses arising therefrom shall be made in accordance with applicable law. Upon the aforementioned consultation by the Stabilizing Manager with the Initial Purchasers, any Stabilizing Activities may begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, may be ended at any time, but in no case later than the earlier of 30 days after the Closing Date and 60 days after the date of the allotment of the Notes.

SECTION 3. Covenants of the Issuer and the Subsidiary Guarantors. The Issuer and each Subsidiary Guarantor covenants with each Initial Purchaser as follows:

(a) *Disclosure Package and Offering Memorandum*. During the period from the date hereof to that indicated in Section 3(b)(ii) below, the Issuer, as promptly as possible, will furnish to each Initial Purchaser, without charge, such number of copies of the Disclosure Package and Final Offering Memorandum and any amendments and supplements thereto and documents incorporated by reference therein as such Initial Purchaser may reasonably request.

(b) *Notice and Effect of Material Events*. The Issuer will immediately notify each Initial Purchaser, and confirm such notice in writing, of (i) any filing made by the Issuer or any Subsidiary Guarantor of information relating to the offering of the Notes with any securities exchange or any other regulatory body in the applicable jurisdiction, and (ii) at any time prior to the completion of the resale of the Notes by the Initial Purchasers, any material changes in or affecting the condition, financial or otherwise, or the earnings, business affairs or business prospects of the Issuer and its subsidiaries considered as one enterprise which (x) make any statement in the Disclosure Package, any Offering Memorandum or any Supplemental Offering Material false or misleading or (y) are not disclosed in the Disclosure Package or Offering Memorandum. In such event or if during such time any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Offering Memorandum in order that the Offering Memorandum not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances then existing, or if in the reasonable opinion of the Initial Purchasers or counsel for the Initial Purchasers it is otherwise necessary to amend or supplement the Offering Memorandum to comply with law, the Issuer will forthwith amend or supplement the Offering Memorandum by promptly preparing and furnishing, at its own expense, to each Initial Purchaser an amendment or amendments of, or a supplement or supplements to, the Offering Memorandum (in form and substance satisfactory in the reasonable opinion of counsel for the Initial Purchasers) so that, as so amended or supplemented, the Offering Memorandum will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time it is delivered to a person procured by an Initial Purchaser to purchase any Notes or a Subsequent Purchaser, not misleading or so that the Offering Memorandum, as amended or supplemented, will comply with law.

(c) *Amendments and Supplements to the Offering Memorandum; Preparation of Pricing Supplement; Supplemental Offering Materials* . The Issuer will promptly submit for review and approval to each Initial Purchaser any proposed amendment or supplement to the Disclosure Package and Offering Memorandum, such approval not to be unreasonably withheld or delayed. Neither the approval of the Initial Purchasers, nor the Initial Purchaser's delivery of any such amendment or supplement, shall constitute a waiver of any of the conditions set forth in Section 5 hereof. The Issuer represents and agrees that, unless it obtains the prior consent of the Representative, it has not made and will not make any offer relating to the Notes by means of any Supplemental Offering Materials.

(d) *Qualification of Notes for Offer and Sale*. The Issuer and the Subsidiary Guarantors will use their commercially reasonable best efforts, in cooperation with the Initial Purchasers and counsel for the Initial Purchasers, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions as the Initial Purchasers may designate and will maintain such qualifications in effect as long as required for the sale of the Notes; *provided*, *however*, that neither Issuer nor any Subsidiary Guarantor shall be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities or take any other action in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. The Issuer will advise the Initial Purchasers promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Notes for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Issuer shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(e) *DTC*. The Issuer and the Subsidiary Guarantors will cooperate with the Initial Purchasers and use their best efforts to permit the Notes to be eligible for clearance and settlement through the facilities of DTC and will assist the Initial Purchasers in obtaining the approval of DTC for "book-entry" transfer of the Notes in global form.

(f) *Euroclear and Clearstream, Luxembourg.* The Issuer and the Subsidiary Guarantors will cooperate with the Initial Purchasers and use their best efforts to permit the Notes to be eligible for clearance and settlement through the facilities of Euroclear and Clearstream, Luxembourg and will assist the Initial Purchasers in obtaining the approval of Euroclear and Clearstream, Luxembourg for "book-entry" transfer of the Notes in global form.

(h) *Restriction on Sale of Securities.* For a period of 90 days from the date of this Agreement, the Issuer and each of the Subsidiary Guarantors agree not to, directly or indirectly, sell, offer to sell, contract to sell, grant any option to purchase, issue any instrument convertible into or exchangeable for, or otherwise transfer or dispose of (or enter into any transaction or device which is designed to, or could be expected to, result in the disposition in the future of), any debt securities of the Issuer or any of the Subsidiary Guarantors with terms substantially similar (including having equal rank) to the Notes (other than the Notes and the sale or issuance of convertible bonds by a parent company or Affiliate of the Issuer), except with the prior consent of the Representative.

(j) *Investment Company.* The Issuer shall not invest, or otherwise use the proceeds received by the Issuer from its sale of the Notes in such a manner as would require the Issuer or any Subsidiary Guarantor to register as an investment company under the Investment Company Act. The Issuer and the Subsidiary Guarantors agree to perform their duties set forth in Schedule D hereto to ensure that no sale or other transfer of Securities (as defined therein) will be made that would require the Issuer to register as an "investment company" under the Investment Company Act or would jeopardize the exemptions from registration provided thereunder; provided that the Issuer and the Subsidiary Guarantors may modify such duties to the extent that such modification would not result in the loss of the Issuer's exemption from registration under the Investment Company Act and the Issuer and the Subsidiary Guarantors first provide the Initial Purchasers an opinion of counsel satisfactory to the Initial Purchasers to the effect that such modification will not have an adverse effect on the ability of the Issuer to rely on the exemption from registration under the Investment Company Act pursuant to Section 3(c)(7) thereof.

(k) *Stabilization and Manipulation*. In connection with the issuance and sale of the Notes, until the Initial Purchasers have notified the Issuer and the other Initial Purchasers of the completion of the placement and resales of the Notes by the Initial Purchasers, none of the Issuer, any Subsidiary Guarantor or any of their respective Affiliates has taken, nor will any of them take, directly or indirectly, any action designed to or that might reasonably be expected to cause or result in stabilization or manipulation of the price of the Notes to facilitate the sale or resale of the Notes. Except as permitted by the 1933 Act, none of the Issuer or the Subsidiary Guarantors will distribute any offering material in connection with the resales of the Notes.

(l) *Trust Indenture Act.* The Issuer and the Subsidiary Guarantors agree that at such time as may be required, the Indenture shall be qualified under the TIA and any necessary supplemental indentures will be entered into in connection therewith.

(iii) Restriction on Repurchases. The Issuer of this Note has agreed that this legend shall be deemed to have been removed on the 41 st day following the later of the commencement of the offering of the Notes and the final delivery date with respect thereof."

(d) *Principal or Face Amount of the Notes.* The Initial Purchasers agree that no sale of the Notes to any U.S. persons (as defined in Rule 902 under the Securities Act) or within the United States shall be for less than US$250,000 principal or face amount, and no Notes sold to any U.S. persons or within the United States shall be issued in a smaller principal or face amount. If the purchaser is a non-bank fiduciary acting on behalf of others in the United States or who are U.S. persons, each such person for whom such purchaser is acting must purchase at least US$250,000 principal or face amount of the Notes.

SECTION 7. Indemnification.

(a) *Indemnification of Initial Purchasers.* Each of the Issuer and the Subsidiary Guarantors will indemnify and hold harmless each Initial Purchaser, its partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act (each, an **"Indemnified Party**"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the 1933 Act, the 1934 Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Disclosure Package as of any time, the Final Offering Memorandum (or any amendment or supplement thereto) or any Supplemental Offering Materials, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; *provided, however,* that neither the Issuer nor any Subsidiary Guarantor shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Issuer by any Initial Purchaser specifically for use therein, it being understood and agreed that the only such information furnished by any Initial Purchaser consists of the information described as such in subsection (b) below.

(b) *Indemnification of Issuer and Subsidiary Guarantors.* Each Initial Purchaser will severally and not jointly indemnify and hold harmless the Issuer and the Subsidiary Guarantors and each person, if any, who controls the Issuer or the Subsidiary Guarantors within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act (each, an "**Initial Purchaser Indemnified Party**"), against any losses, claims, damages or liabilities to which such Initial Purchaser Indemnified Party may become subject, under the 1933 Act, the 1934 Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Disclosure Package, the Final Offering Memorandum or in any Supplemental Offering Materials or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Issuer by such Initial Purchasers specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Initial Purchaser Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Initial Purchaser Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that the only such information furnished by any Initial Purchaser consists of the following information in the Offering Memorandum furnished on behalf of each Initial Purchaser: their respective names as set forth in the first two sentences of the first paragraph under the section "Plan of Distribution—Price Stabilization and Short Positions" in the Disclosure Package and the Final Offering Memorandum.

(c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above hereafter, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 7, as the case may be, for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) *Control Persons*. The obligations of the Issuer and the Subsidiary Guarantors under this Section 7 shall be in addition to any liability which the Issuer and the Subsidiary Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Initial Purchaser, within the meaning of the 1933 Act; and the obligations of the Initial Purchasers under this Section 7 shall be in addition to any liability which the respective Initial Purchaser may otherwise have and shall extend, upon the same terms and conditions, to each director of the Issuer and the Subsidiary Guarantors and to each person, if any, who controls the Issuer and the Subsidiary Guarantors within the meaning of the 1933 Act.

SECTION 8. Contribution.

If the indemnification provided for in Section 7 is unavailable or insufficient to hold harmless an indemnified party under Section 7 (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in Section 7 (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuer on the one hand and the Initial Purchasers on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Issuer and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Issuer and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Issuer and the Subsidiary Guarantors bear to the total underwriting discounts and commissions received by the Initial Purchasers. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this Section 8 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this Section 8. Notwithstanding the provisions of this Section 8, no Initial Purchaser shall be required to make contributions hereunder that in the aggregate exceed the total discounts, commissions and other compensation received by such Initial Purchaser under this Agreement, less the aggregate amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations in this Section 8 to contribute are several in proportion to their respective underwriting obligations and not joint. The Issuer, the Subsidiary Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8.

SECTION 9. Agreement among Managers.

The Initial Purchasers agree as between themselves that they will be bound by and will comply with the International Capital Market Association Standard Form Agreement Among Managers version 1, together with the New York Law Schedule (the "**AAM**") as amended in the manner set out below and further agree that references in the AAM to the "Joint Lead Manager" and the "Managers" shall mean the Initial Purchasers and references in the AAM and this Agreement to the "Settlement Lead Manager" and the "Stabilising Manager" shall mean Deutsche Bank AG, Singapore Branch (or persons acting on its behalf). The Initial Purchasers agree as between themselves to amend the AAM as follows:

(a) references in the AAM to the "Commitments" shall mean, as between the Initial Purchasers only, the amounts set out in Schedule A;

(b) clause 3 shall be deemed to be deleted in its entirety;

(c) clause 4 shall be deemed to be deleted in its entirety;

(d) clause 5 shall be deemed to be deleted in its entirety and replaced with the following:

"Each Joint Lead Manager acknowledges that, in order to assist in the orderly distribution of the Securities, the Stabilising Manager may, after consultation with the other Joint Lead Managers, overallot in arranging subscriptions, sales and purchases of the Securities and may subsequently make purchases and sales of the Securities, in addition to the Purchase Percentage, in the open market or otherwise, on such terms as the Stabilising Manager deems advisable. All such purchases, sales and over-allotments shall be made in accordance with applicable law for the account of the Joint Lead Managers, and may be reallocated among the Joint Lead Managers in proportion to each Joint Lead Manager's Purchasing Percentage; provided, however, notwithstanding the foregoing, upon consultation by the Stabilising Manager with the Joint Lead Managers, each Joint Lead Manager shall be responsible for managing its individual long or short position (the " **Individual Position**") and may cover any short position, sell any long position and/or engage in hedging activity in respect of its Individual Position (collectively, the " **Stabilising Activities**"). Purchase Percentage means the principal amount of Securities subscribed for by a Joint Lead Manager as a ratio of the aggregate principal amount of the Securities.

Each Joint Lead Manager shall be liable for any loss, or entitled to any profit, arising from its own Stabilising Activities and, for the avoidance of doubt, no Joint Lead Manager shall be liable for such loss, or entitled to any profit, arising from the Stabilising Activities of any other Joint Lead Manager's Individual Position. All Stabilising Activities and any gains or losses arising therefrom shall be made in accordance with applicable law. Upon the aforementioned consultation by the Stabilising Manager with the Joint Lead Managers, any Stabilising Activities may begin on or after the date on which adequate public disclosure of the terms of the offer of the Securities is made and, if begun, may be ended at any time, but in no case later than the earlier of 30 days after the issue date of the Securities and 60 days after the date of the allotment of the Securities."

(e) clause 6(b) shall be deemed to be deleted in its entirety;

(f) clause 7 shall be deemed to be deleted in its entirety;

(g) Within 90 days of the Closing Date, the Settlement Lead Manager shall determine and pay the net commissions due to the other Initial Purchasers. The parties agree that interest earned on the aggregate net commission will be shared between the Initial Purchasers pro rata by reference to their respective Commitments;

(h) Deutsche Bank AG, Singapore Branch shall act as a representative of each of them for administrative purposes (in such capacity, the "**Representative**").

Where there are any inconsistencies between this Agreement and the AAM, the terms of this Agreement shall prevail.

SECTION 10. Default of Initial Purchasers.

If any Initial Purchaser or Initial Purchasers default in their obligations to purchase Notes hereunder at the Closing Time and the aggregate number of Notes that such defaulting Initial Purchaser or Initial Purchasers agreed but failed to purchase does not exceed 10% of the total number of Notes that the Initial Purchasers are obligated to purchase at such Closing Time, the Representative may make arrangements satisfactory to the Issuer for the purchase of such Notes by other persons, including any of the Initial Purchasers, but if no such arrangements are made by such Closing Time, the non-defaulting Initial Purchasers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Notes that such defaulting Initial Purchasers agreed but failed to purchase at such Closing Time. If any Initial Purchaser or Initial Purchasers so default and the aggregate number of Notes with respect to which such default or defaults occur exceeds 10% of the total number of Notes that the Initial Purchasers are obligated to purchase at such Closing Time and arrangements satisfactory to the Representative and the Issuer for the purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Initial Purchaser or the Issuer, except as provided in Section 12 hereof. As used in this Agreement, the term "Initial Purchaser" includes any person substituted for an Initial Purchaser under this Section 10. Nothing herein will relieve a defaulting Initial Purchaser from liability for its default.

SECTION 11. Representations, Warranties and Agreements to Survive Delivery .

All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Issuer or any of the Subsidiary Guarantors submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Initial Purchaser or controlling person, or by or on behalf of the Issuer or any Subsidiary Guarantor, and shall survive delivery of the Notes to the Initial Purchasers.

SECTION 12. Termination of Agreement.

(a) *Termination; General.* Prior to the Closing Time, this Agreement may be terminated by the Initial Purchasers by notice given to the Issuer if at any time: (i) trading in securities generally on the New York Stock Exchange, NASDAQ, the Hong Kong Stock Exchange, the London Stock Exchange or the SGX-ST shall have been suspended or materially limited, or minimum or maximum prices shall have been generally established on any of such stock exchanges by the Commission or the SGX-ST, or maximum ranges for prices shall have been required by any of said exchanges or by such system or by order of the Commission or any other governmental authority in the United States or otherwise or a material disruption has occurred in commercial banking or securities, settlement or clearance services with respect to DTC in the United States or with respect to Euroclear and Clearstream, Luxembourg in Europe; (ii) a general banking moratorium shall have been declared by any of federal, New York, British Virgin Islands, Macau, Hong Kong, Singapore or European authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions or currency exchange rates or exchange controls, in each case the effect of which is such as to make it, in the judgment of the Initial Purchasers, impracticable or inadvisable to market the Notes in the manner and on the terms described in the Offering Memorandum or to enforce contracts for the sale of the Notes; (iv) in the judgment of the Initial Purchasers there shall have occurred any Material Adverse Change; or (v) the Issuer and its subsidiaries shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Initial Purchasers may interfere materially with the conduct of the business and operations of the Issuer and its subsidiaries taken as a whole regardless of whether or not such loss shall have been insured. Any termination pursuant to this Section 12 shall be without liability on the part of (i) the Issuer or any Subsidiary Guarantor to any Initial Purchaser, except that the Issuer shall be obligated to reimburse the expenses of the Initial Purchasers pursuant to Section 12 hereof, (ii) any Initial Purchaser to the Issuer or any Subsidiary Guarantor or (iii) any party hereto to any other party except that the provisions of Section 7 and Section 8 shall at all times be effective and shall survive such termination.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section 12, such termination shall be without liability of any party to any other party, and provided further that Sections 1, 7, 8 and 12 shall survive such termination and remain in full force and effect.

SECTION 13. Reimbursement of Initial Purchasers' Expenses .

If this Agreement is terminated by the Initial Purchasers pursuant to Section 5 or Section 12 hereof, including if the sale to the Initial Purchasers of the Notes on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Issuer or the Subsidiary Guarantors to perform any agreement herein or to comply with any provision hereof, the Issuer agrees to reimburse the Initial Purchasers (or such Initial Purchasers as have terminated this Agreement with respect to themselves), severally, upon demand for all reasonable expenses as set forth in the Engagement Letter.

SECTION 14. Notices.

SECTION 15. Parties.

This Agreement shall inure to the benefit of and be binding upon the Initial Purchasers, the Issuer, the Subsidiary Guarantors and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Initial Purchasers, the Issuer and the Subsidiary Guarantors and their respective successors and the controlling persons and officers and directors referred to in Sections 7 and 8 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Initial Purchasers, the Issuer, the Subsidiary Guarantors and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Notes from any Initial Purchaser shall be deemed to be a successor by reason merely of such purchase.

SECTION 16. Counterparts.

This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

SECTION 17. Absence of Fiduciary Relationship. Each of the Issuer and the Subsidiary Guarantors acknowledges and agrees that:

(a) *No Other Relationship*. The Initial Purchasers have been retained solely to act as the initial purchasers of the Notes and that no fiduciary, advisory or agency relationship between the Issuer and the Subsidiary Guarantors and the Initial Purchaser has been created in respect of any of the transactions contemplated by this Agreement, the Disclosure Package or the Final Offering Memorandum, irrespective of whether the Initial Purchasers have advised or are advising the Issuer or the Subsidiary Guarantors on other matters;

(b) *Arms' Length Negotiations*. The price of the Notes set forth in this Agreement was established by the Issuer and the Subsidiary Guarantors following discussions and arms-length negotiations with the Initial Purchaser and each of the Issuer and the Subsidiary Guarantors is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) *Absence of Obligation to Disclose*. Each of the Issuer and the Subsidiary Guarantors has been advised that the Initial Purchasers and their affiliates are engaged in a broad range of transactions which may involve interests that differ from or conflict with those of the Issuer and the Subsidiary Guarantors and that the Initial Purchasers have no obligation to disclose such interests and transactions to the Issuer and the Subsidiary Guarantors by virtue of any fiduciary, advisory or agency relationship; and

(d) *Waiver*. Each of the Issuer and the Subsidiary Guarantors waives, to the fullest extent permitted by law, any claims it may have against the Initial Purchasers for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Initial Purchasers shall have no liability (whether direct or indirect) to the Issuer and the Subsidiary Guarantors in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Issuer and the Subsidiary Guarantors, including shareholders, employees or creditors of the Issuer and the Subsidiary Guarantors.

SECTION 18. Waiver of Immunity.

To the extent that the Issuer and each Subsidiary Guarantor has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Issuer and each Subsidiary Guarantor hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Agreement.

SECTION 19. Applicable Law.

This Agreement shall be governed by and construed in accordance with the laws of the state of New York.

Each of the Issuer and the Subsidiary Guarantors hereby submits to the non-exclusive jurisdiction of the federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the Issuer and the Subsidiary Guarantors irrevocably and unconditionally waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in federal and state courts in the Borough of Manhattan in the City of New York and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum. Each of the Issuer and the Subsidiary Guarantors irrevocably appoints Law Debenture Corporate Services Inc., 400 Madison Avenue, 4th Floor, New York, New York 10017, as its authorized agent in the Borough of Manhattan in the City of New York upon which process may be served in any such suit or proceeding, and agrees that service of process upon such agent, and written notice of said service to the Issuer and the Subsidiary Guarantors by the person serving the same to the address provided in Section 14, shall be deemed in every respect effective service of process upon the Issuer and the Subsidiary Guarantors in any such suit or proceeding. Each of the Issuer and the Subsidiary Guarantors further agrees to take any and all action as may be necessary to maintain such designation and appointment of such agent in full force and effect for a period of nine years from the date of this Agreement.

The obligations of the Issuer and the Subsidiary Guarantors pursuant to this Agreement in respect of any sum due to any Initial Purchaser shall, notwithstanding any judgment in a currency other than U.S. dollars, not be discharged until the first business day, following receipt by such Initial Purchaser of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Initial Purchaser may in accordance with normal banking procedures purchase U.S. dollars with such other currency; if the U.S. dollars so purchased are less than the sum originally due to such Initial Purchaser hereunder, the Issuer and the Subsidiary Guarantors agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Initial Purchaser against such loss. If the U.S. dollars so purchased are greater than the sum originally due to such Initial Purchaser hereunder, such Initial Purchaser agrees to pay to the Issuer and the Subsidiary Guarantors an amount equal to the excess of the dollars so purchased over the sum originally due to such Initial Purchaser hereunder.

SECTION 20. Waiver of Jury Trial. Each party hereto hereby waives its rights to a jury trial of any claim or cause of action based upon or arising out of this Agreement or the subject matter hereof. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. This Section 20 has been fully discussed by each of the parties hereto and these provisions shall not be subject to any exceptions. Each party hereto hereby further warrants and represents that such party has reviewed this waiver with its legal counsel, and that such party knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. This waiver is irrevocable, meaning that it may not be modified either orally or in writing, and this waiver shall apply to any subsequent amendments, supplements or modifications to (or assignments of) this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial (without a jury) by the court.

SECTION 21. Effect of Headings.

The section headings herein are for convenience only and shall not affect the construction hereof.

SCHEDULE C
PRICING SUPPLEMENT

SCHEDULE D

For purposes of this Schedule D, the term "Securities" shall mean the Notes sold in reliance on Rule 144A.

(a) *Annual or Other Periodic Notifications*. The Issuer or the Subsidiary Guarantors will send annual or other periodic reports to holders of Securities at least annually. Such reports will include a reminder that: (i) each beneficial holder that is a U.S. person is required to be both a QIB and a QP that can make the representations and agreements set forth in the Offering Memorandum under the caption "Transfer Restrictions", (ii) the Securities can be transferred only to another U.S. person that is both a QIB and a QP that can make such representations and agreements or in an offshore transaction in accordance with Rule 904 under the Act and (iii) any such transfer not in accordance with such provisions is void *ab initio* and the Issuer has the right to force any beneficial holder who is in breach of any such representations and agreements to sell or redeem its Securities. The Issuer or the Subsidiary Guarantors will send the annual or periodic report, together with the reminder, to each subsequent purchaser with a request that such subsequent purchaser pass the notifications along to beneficial owners of Securities. The Issuer or the Subsidiary Guarantors will arrange for the report and the reminder to be sent to participants identified by the book-entry system(s) in which the Securities are deposited, with a request that participants pass them along to beneficial owners.

(b) *Bloomberg*. The Issuer shall ensure that any Bloomberg screen containing information about any Security includes the following (or substantially similar) language:

(i) The "Note Box" on the bottom of the "Security Display" page describing the Security should state "Iss'd Under 144A/3c7."

(ii) The "Security Display" page should have a flashing red indicator that states "Additional Note Pg."

(iii) The indicator referred to in clause (ii) above should link to the "Additional Security Information" page, which should state that the Securities "are being offered in reliance on the exemption from registration under Rule 144A of the Act to persons who are both (A) qualified institutional buyers (as defined in Rule 144A under the Act) and (B) qualified purchasers (as defined in Section 2(a)(51) of the Investment Company Act)."

(iv) The "Disclaimer" page for the Securities should state that the Securities "will not be and have not been registered under the Act and the Issuer is not required to be and has not been registered under the Investment Company Act, and these securities may not be offered or sold to U.S. persons absent an applicable exemption from the registration requirements and any such offer or sale of these securities to U.S. persons must be in accordance with Section 3(c)(7) of the Investment Company Act."

(c) *Other Information Service Providers*. In the event that Telekurs, Reuters or any other information service provider becomes an important source of information in the secondary market for the Securities, the Issuer shall ensure that any screen of any such provider containing information about any Security includes language substantially similar to the language set forth in paragraph (b) above.

(d) *DTC*. The Issuer will instruct the Depository Trust Company ("DTC") to take the following (or substantially similar) steps with respect to the Securities:

On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Issuer agrees to sell to each Initial Purchaser, severally and not jointly, and each Initial Purchaser severally and not jointly, agrees to purchase from the Issuer, at the purchase price of 100% (consisting of the purchase price for the Notes net the underwriting commission thereon) of the principal amount thereof (the "**Purchase Price**"), the aggregate principal amount of Notes set forth in Schedule A opposite the name of such Initial Purchaser, plus any additional principal amount of Notes which such Initial Purchaser may become obligated to purchase pursuant to the provisions of Section 10 hereof.

(b) *Payment of Purchase Price, Initial Purchaser Commission and Fees.* Payment of the Purchase Price for the Notes shall be made by the Initial Purchasers, in U.S. dollars in immediately available funds by wire transfer to the account of the Issuer notified to the Representative (as defined below) at least two business days before 9:30 A.M. New York City time on February 7, 2013 (the "**Closing Date**"), or at least two business days before such other date, not later than seven calendar days after the foregoing date, as shall be agreed upon by the Representative and the Issuer (such time and date of payment being herein called the "**Closing Time**"). The Initial Purchasers shall be entitled to offset from the payment of the Purchase Price for the Notes the costs and expenses which the Issuer and the Subsidiary Guarantors have agreed to pay pursuant to Section 4 of this Agreement pursuant to the expense side letter entered into by the Initial Purchasers with MCE Finance Limited, dated January 29, 2013 (the " **Expense Side Letter**").

Payment shall be made to the Issuer against delivery to the Initial Purchasers for the respective accounts of the several Initial Purchasers or the accounts of the persons procured by the Initial Purchasers to purchase the Notes. Each Initial Purchaser shall accept delivery of, receipt for, and make payment of the Purchase Price for, the Notes which it has agreed to purchase or for which it has agreed to procure the purchase. Each of the Initial Purchasers, may (but shall not be obligated to) make payment of the Purchase Price for the Notes to be purchased by any persons procured by such Initial Purchaser, whose funds have not been received by the Closing Time.

(c) *Delivery.* The Issuer will deliver to the Initial Purchasers, against payment of the Purchase Price thereof pursuant to Section 2(b) above, the Notes to be purchased by the Initial Purchasers hereunder and to be offered and sold by each Initial Purchaser in reliance on Regulation S in the form of one or more global notes in definitive form (the "**Regulation S Global Notes**") and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("**DTC**"), and deposited with the Trustee as custodian for DTC for the respective accounts of the DTC participants for Euroclear Bank S.A./N.V. ("**Euroclear**"), and Clearstream Banking, *société anonyme*, Luxembourg ("**Clearstream, Luxembourg**"). The Issuer will deliver to the Initial Purchasers against payment of the Purchase Price thereof the Notes to be purchased by the Initial Purchasers hereunder and to be offered and sold by each Initial Purchaser in reliance on Rule 144A in the form of one or more global notes in definitive form (the " **Rule 144A Global Notes**") deposited with the Trustee as custodian for DTC and registered in the name of Cede & Co., as nominee for DTC. (d) *Stabilization.* Deutsche Bank AG, Singapore Branch, as Stabilizing Manager (or any person duly appointed as acting for the Stabilizing Manager) may, to the extent permitted by applicable laws and regulations, over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail, but in doing so the Stabilizing Manager shall act as principal and not as agent of the Issuer. Each Initial Purchaser acknowledges that, in order to assist in the orderly distribution of the Notes, the Stabilizing Manager may, after consultation with the other Initial Purchasers, overallot in arranging subscriptions, sales and purchases of the Notes and may subsequently make purchases and sales of the Notes, in addition to the Purchase Percentage, in the open market or otherwise, on such terms as the Stabilizing Manager deems advisable. All such purchases, sales and overallotments shall be made in accordance with applicable law for the account of each Initial Purchaser, and may be reallocated among the Initial Purchasers in proportion to the ratio that each Initial Purchaser's underwriting commitment bears to the aggregate principal amount of the Notes; provided, however, notwithstanding the foregoing, upon consultation by the Stabilizing Manager with the Initial Purchasers, each Initial Purchaser shall be responsible for managing its individual long or short position (the "**Individual Position**") and may cover any short position, sell any long position and/or engage in hedging activities in respect of its Individual Position (collectively, the "**Stabilizing Activities**"). "**Purchase Percentage**" means the principal amount of Notes subscribed for by an Initial Purchaser as a ratio of the aggregate principal amount of the Notes. Each Initial Purchaser shall be liable for any loss, or entitled to any profit, arising from its own Stabilizing Activities and, for the avoidance of doubt, no Initial Purchaser shall be liable for the loss, or entitled to any profit, arising from the Stabilizing Activities of any other Initial Purchaser's Individual Position. All Stabilizing Activities and any gains or losses arising therefrom shall be made in accordance with applicable law. Upon the aforementioned consultation by the Stabilizing Manager with the Initial Purchasers, any Stabilizing Activities may begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, may be ended at any time, but in no case later than the earlier of 30 days after the Closing Date and 60 days after the date of the allotment of the Notes.

SECTION 3. Covenants of the Issuer and the Subsidiary Guarantors. The Issuer and each Subsidiary Guarantor covenants with each Initial Purchaser as follows:

(c) *Amendments and Supplements to the Offering Memorandum; Preparation of Pricing Supplement; Supplemental Offering Materials* . The Issuer will promptly submit for review and approval to each Initial Purchaser any proposed amendment or supplement to the Disclosure Package and Offering Memorandum, such approval not to be unreasonably withheld or delayed. Neither the approval of the Initial Purchasers, nor the Initial Purchaser's delivery of any such amendment or supplement, shall constitute a waiver of any of the conditions set forth in Section 5 hereof. The Issuer represents and agrees that, unless it obtains the prior consent of the Representative, it has not made and will not make any offer relating to the Notes by means of any Supplemental Offering Materials.

(d) *Qualification of Notes for Offer and Sale*. The Issuer and the Subsidiary Guarantors will use their commercially reasonable best efforts, in cooperation with the Initial Purchasers and counsel for the Initial Purchasers, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions as the Initial Purchasers may designate and will maintain such qualifications in effect as long as required for the sale of the Notes; *provided*, *however*, that neither Issuer nor any Subsidiary Guarantor shall be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities or take any other action in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. The Issuer will advise the Initial Purchasers promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Notes for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Issuer shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(e) *DTC*. The Issuer and the Subsidiary Guarantors will cooperate with the Initial Purchasers and use their best efforts to permit the Notes to be eligible for clearance and settlement through the facilities of DTC and will assist the Initial Purchasers in obtaining the approval of DTC for "book-entry" transfer of the Notes in global form.

(f) *Euroclear and Clearstream, Luxembourg.* The Issuer and the Subsidiary Guarantors will cooperate with the Initial Purchasers and use their best efforts to permit the Notes to be eligible for clearance and settlement through the facilities of Euroclear and Clearstream, Luxembourg and will assist the Initial Purchasers in obtaining the approval of Euroclear and Clearstream, Luxembourg for "book-entry" transfer of the Notes in global form.

(h) *Restriction on Sale of Securities.* For a period of 90 days from the date of this Agreement, the Issuer and each of the Subsidiary Guarantors agree not to, directly or indirectly, sell, offer to sell, contract to sell, grant any option to purchase, issue any instrument convertible into or exchangeable for, or otherwise transfer or dispose of (or enter into any transaction or device which is designed to, or could be expected to, result in the disposition in the future of), any debt securities of the Issuer or any of the Subsidiary Guarantors with terms substantially similar (including having equal rank) to the Notes (other than the Notes and the sale or issuance of convertible bonds by a parent company or Affiliate of the Issuer), except with the prior consent of the Representative.

In connection with the issuance and sale of the Notes, until the Initial Purchasers have notified the Issuer and the other Initial Purchasers of the completion of the placement and resales of the Notes by the Initial Purchasers, none of the Issuer, any Subsidiary Guarantor or any of their respective Affiliates has taken, nor will any of them take, directly or indirectly, any action designed to or that might reasonably be expected to cause or result in stabilization or manipulation of the price of the Notes to facilitate the sale or resale of the Notes. Except as permitted by the 1933 Act, none of the Issuer or the Subsidiary Guarantors will distribute any offering material, other than the Offering Memorandum, in connection with the resales of the Notes.

SECTION 4. Payment of Expenses.

The Issuer and the Subsidiary Guarantors will pay the expenses of the Initial Purchasers as agreed in the Expense Side Letter, and the Representative, on behalf of the Initial Purchasers, shall be entitled to deduct such amounts from the Purchase Price of the Notes as provided in Section 2(b) hereof.

Each Initial Purchaser severally represents and agrees, that, except as permitted by Section 6(a) above, it has not offered and sold Notes and will not offer and sell Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the date upon which the offering of Notes commences and the Closing Time, only in accordance with Rule 903 of Regulation S,
Rule 144A or another applicable exemption from the registration requirements of the 1933 Act. Accordingly, neither the Initial Purchasers, their Affiliates nor any persons acting on their behalf have engaged or engage in any directed selling efforts with respect to Notes sold hereunder pursuant to Regulation S, and the Initial Purchasers, their Affiliates and any person acting on their behalf have complied and will comply with the offering restrictions of Regulation S. Each Initial Purchaser severally agrees that, at or prior to confirmation of a sale of Notes pursuant to Regulation S, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from it or through it during the restricted period a confirmation or notice to substantially the following effect:

> This Note has not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), or with any securities regulatory authority of any jurisdiction and may not be reoffered, resold, pledged or otherwise transferred within the United States or to a U.S. person (as defined in Regulation S under the Securities Act) except pursuant to an exemption from registration under the Securities Act. The Issuer of this Note has agreed that this legend shall be deemed to have been removed on the 41 st day following the later of the commencement of the offering of the Notes and the final delivery date with respect thereof."

SECTION 7. Indemnification.

(a) *Indemnification of Initial Purchasers.* Each of the Issuer and the Subsidiary Guarantors will indemnify and hold harmless each Initial Purchaser, its partners, members, directors, officers, employees, agents, affiliates and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act (each, an **"Indemnified Party**"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Party may become subject, under the 1933 Act, the 1934 Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Disclosure Package as of any time, the Final Offering Memorandum (or any amendment or supplement thereto) or any Supplemental Offering Materials, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Indemnified Party for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, and in connection with the enforcement of this provision with respect to any of the above as such expenses are incurred; *provided, however,* that neither the Issuer nor any Subsidiary Guarantor shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Issuer by any Initial Purchaser specifically for use therein, it being understood and agreed that the only such information furnished by any Initial Purchaser consists of the information described as such in subsection (b) below.

(b) *Indemnification of Issuer and Subsidiary Guarantors.* Each Initial Purchaser will severally and not jointly indemnify and hold harmless the Issuer and the Subsidiary Guarantors and each person, if any, who controls the Issuer or the Subsidiary Guarantors within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act (each, an "**Initial Purchaser Indemnified Party**"), against any losses, claims, damages or liabilities to which such Initial Purchaser Indemnified Party may become subject, under the 1933 Act, the 1934 Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any part of the Disclosure Package, the Final Offering Memorandum or in any Supplemental Offering Materials or arise out of or are based upon the omission or the alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Issuer by such Initial Purchasers specifically for use therein, and will reimburse any legal or other expenses reasonably incurred by such Initial Purchaser Indemnified Party in connection with investigating or defending against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Initial Purchaser Indemnified Party is a party thereto), whether threatened or commenced, based upon any such untrue statement or omission, or any such alleged untrue statement or omission as such expenses are incurred, it being understood and agreed that such information shall be limited to such Initial Purchaser's name as set forth in the first sentence of the first paragraph under the sub-section "Plan of Distribution—Price Stabilization and Short Positions" in the Disclosure Package and the Final Offering Memorandum.

(c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above hereafter, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve it from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section 7, as the case may be, for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) *Control Persons*. The obligations of the Issuer and the Subsidiary Guarantors under this Section 7 shall be in addition to any liability which the Issuer and the Subsidiary Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Initial Purchaser, within the meaning of the 1933 Act; and the obligations of the Initial Purchasers under this Section 7 shall be in addition to any liability which the respective Initial Purchaser may otherwise have and shall extend, upon the same terms and conditions, to each director of the Issuer and the Subsidiary Guarantors and to each person, if any, who controls the Issuer and the Subsidiary Guarantors within the meaning of the 1933 Act.

SECTION 8. Contribution.

If the indemnification provided for in Section 7 is unavailable or insufficient to hold harmless an indemnified party under Section 7 (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in Section 7 (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuer on the one hand and the Initial Purchasers on the other from the offering of the Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Issuer and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Issuer and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Issuer and the Subsidiary Guarantors bear to the total underwriting discounts and commissions received by the Initial Purchasers. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this Section 8 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this Section 8. Notwithstanding the provisions of this Section 8, no Initial Purchaser shall be required to make contributions hereunder that in the aggregate exceed the total discounts, commissions and other compensation received by such Initial Purchaser under this Agreement, less the aggregate amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of the untrue or alleged untrue statements or the omissions or alleged omissions to state a material fact. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations in this Section 8 to contribute are several in proportion to their respective underwriting obligations and not joint. The Issuer, the Subsidiary Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8.

SECTION 9. Agreement among Managers.

The Initial Purchasers agree as between themselves that they will be bound by and will comply with the International Capital Market Association Standard Form Agreement Among Managers version 1, together with the New York Law Schedule (the "**AAM**") as amended in the manner set out below and further agree that references in the AAM to the "Joint Lead Manager" and the "Managers" shall mean the Initial Purchasers and references in the AAM and this Agreement to the "Settlement Lead Manager" and the "Stabilising Manager" shall mean Deutsche Bank AG, Singapore Branch (or persons acting on its behalf). The Initial Purchasers agree as between themselves to amend the AAM as follows:

(a) references in the AAM to the "Commitments" shall mean, as between the Initial Purchasers only, the amounts set out in Schedule A;

(b) clause 3 shall be deemed to be deleted in its entirety;

(c) clause 4 shall be deemed to be deleted in its entirety;

(d) clause 5 shall be deemed to be deleted in its entirety and replaced with the following:

"Each Joint Lead Manager acknowledges that, in order to assist in the orderly distribution of the Securities, the Stabilising Manager may, after consultation with the other Joint Lead Managers, overallot in arranging subscriptions, sales and purchases of the Securities and may subsequently make purchases and sales of the Securities, in addition to the Purchase Percentage, in the open market or otherwise, on such terms as the Stabilising Manager deems advisable. All such purchases, sales and over-allotments shall be made in accordance with applicable law for the account of the Joint Lead Managers, and may be reallocated among the Joint Lead Managers in proportion to each Joint Lead Manager's Purchasing Percentage; provided, however, notwithstanding the foregoing, upon consultation by the Stabilising Manager with the Joint Lead Managers, each Joint Lead Manager shall be responsible for managing its individual long or short position (the " **Individual Position**") and may cover any short position, sell any long position and/or engage in hedging activity in respect of its Individual Position (collectively, the " **Stabilising Activities**"). Purchase Percentage means the principal amount of Securities subscribed for by a Joint Lead Manager as a ratio of the aggregate principal amount of the Securities.

Each Joint Lead Manager shall be liable for any loss, or entitled to any profit, arising from its own Stabilising Activities and, for the avoidance of doubt, no Joint Lead Manager shall be liable for such loss, or entitled to any profit, arising from the Stabilising Activities of any other Joint Lead Manager's Individual Position. All Stabilising Activities and any gains or losses arising therefrom shall be made in accordance with applicable law. Upon the aforementioned consultation by the Stabilising Manager with the Joint Lead Managers, any Stabilising Activities may begin on or after the date on which adequate public disclosure of the terms of the offer of the Securities is made and, if begun, may be ended at any time, but in no case later than the earlier of 30 days after the issue date of the Securities and 60 days after the date of the allotment of the Securities."

(e) clause 6(b) shall be deemed to be deleted in its entirety;

(f) clause 7 shall be deemed to be deleted in its entirety;

(g) Within 90 days of the Closing Date, the Settlement Lead Manager shall determine and pay the net commissions due to the other Initial Purchasers. The parties agree that interest earned on the aggregate net commission will be shared between the Initial Purchasers pro rata by reference to their respective Commitments;

(h) Deutsche Bank AG, Singapore Branch shall act as a representative of each of them for administrative purposes (in such capacity, the "**Representative**").

Where there are any inconsistencies between this Agreement and the AAM, the terms of this Agreement shall prevail.

SECTION 10. Default of Initial Purchasers.

If any Initial Purchaser or Initial Purchasers default in their obligations to purchase Notes hereunder at the Closing Time and the aggregate number of Notes that such defaulting Initial Purchaser or Initial Purchasers agreed but failed to purchase does not exceed 10% of the total number of Notes that the Initial Purchasers are obligated to purchase at such Closing Time, the Representative may make arrangements satisfactory to the Issuer for the purchase of such Notes by other persons, including any of the Initial Purchasers, but if no such arrangements are made by such Closing Time, the non-defaulting Initial Purchasers shall be obligated severally, in proportion to their respective commitments hereunder, to purchase the Notes that such defaulting Initial Purchasers agreed but failed to purchase at such Closing Time. If any Initial Purchaser or Initial Purchasers so default and the aggregate number of Notes with respect to which such default or defaults occur exceeds 10% of the total number of Notes that the Initial Purchasers are obligated to purchase at such Closing Time and arrangements satisfactory to the Representative and the Issuer for the purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Initial Purchaser or the Issuer, except as provided in Section 12 hereof. As used in this Agreement, the term "Initial Purchaser" includes any person substituted for an Initial Purchaser under this Section 10. Nothing herein will relieve a defaulting Initial Purchaser from liability for its default.

SECTION 11. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Issuer or any of the Subsidiary Guarantors submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Initial Purchaser or controlling person, or by or on behalf of the Issuer or any Subsidiary Guarantor, and shall survive delivery of the Notes to the Initial Purchasers.

SECTION 12. Termination of Agreement.

(a) *Termination; General.* Prior to the Closing Time, this Agreement may be terminated by the Initial Purchasers by notice given to the Issuer if at any time: (i) trading in securities generally on the New York Stock Exchange, NASDAQ, the Hong Kong Stock Exchange, the London Stock Exchange or the SGX-ST shall have been suspended or materially limited, or minimum or maximum prices shall have been generally established on any of such stock exchanges by the Commission or the SGX-ST, or maximum ranges for prices shall have been required by any of said exchanges or by such system or by order of the Commission or any other governmental authority in the United States or otherwise or a material disruption has occurred in commercial banking or securities, settlement or clearance services with respect to DTC in the United States or with respect to Euroclear and Clearstream, Luxembourg in Europe; (ii) a general banking moratorium shall have been declared by any of federal, New York, Cayman Islands, Macau, Hong Kong, Singapore or European authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions or currency exchange rates or exchange controls, in each case the effect of which is such as to make it, in the judgment of the Initial Purchasers, impracticable or inadvisable to market the Notes in the manner and on the terms described in the Offering Memorandum or to enforce contracts for the sale of the Notes; (iv) in the judgment of the Initial Purchasers there shall have occurred any Material Adverse Change; or (v) the Issuer and its subsidiaries shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Initial Purchasers may interfere materially with the conduct of the business and operations of the Issuer and its subsidiaries taken as a whole regardless of whether or not such loss shall have been insured. Any termination pursuant to this Section 12 shall be without liability on the part of (i) the Issuer or any Subsidiary Guarantor to any Initial Purchaser, except that the Issuer shall be obligated to reimburse the expenses of the Initial Purchasers pursuant to Section 13 hereof, (ii) any Initial Purchaser to the Issuer or any Subsidiary Guarantor or (iii) any party hereto to any other party except that the provisions of Section 7 and Section 8 shall at all times be effective and shall survive such termination.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section 12, such termination shall be without liability of any party to any other party, and provided further that Sections 1, 7, 8 and 13 shall survive such termination and remain in full force and effect.

SECTION 13. Reimbursement of Initial Purchasers' Expenses .

If this Agreement is terminated by the Initial Purchasers pursuant to Section 5 or Section 12 hereof, including if the sale to the Initial Purchasers of the Notes on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Issuer or the Subsidiary Guarantors to perform any agreement herein or to comply with any provision hereof, the Issuer agrees to reimburse the Initial Purchasers (or such Initial Purchasers as have terminated this Agreement with respect to themselves), severally, upon demand for all reasonable expenses as set forth in the Expense Side Letter.

SECTION 15. Parties.

This Agreement shall inure to the benefit of and be binding upon the Initial Purchasers, the Issuer, the Subsidiary Guarantors and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Initial Purchasers, the Issuer and the Subsidiary Guarantors and their respective successors and the controlling persons and officers and directors referred to in Sections 7 and 8 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Initial Purchasers, the Issuer, the Subsidiary Guarantors and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Notes from any Initial Purchaser shall be deemed to be a successor by reason merely of such purchase.

SECTION 16. Counterparts.

This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

SECTION 17. Absence of Fiduciary Relationship. Each of the Issuer and the Subsidiary Guarantors acknowledges and agrees that:

(a) *No Other Relationship*. The Initial Purchasers have been retained solely to act as the initial purchasers of the Notes and that no fiduciary, advisory or agency relationship between the Issuer and the Subsidiary Guarantors and the Initial Purchasers has been created in respect of any of the transactions contemplated by this Agreement, the Disclosure Package or the Final Offering Memorandum, irrespective of whether the Initial Purchasers have advised or are advising the Issuer or the Subsidiary Guarantors on other matters;

(b) *Arms' Length Negotiations*. The price of the Notes set forth in this Agreement was established by the Issuer and the Subsidiary Guarantors following discussions and arms-length negotiations with the Initial Purchasers and each of the Issuer and the Subsidiary Guarantors is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement;

(c) *Absence of Obligation to Disclose*. Each of the Issuer and the Subsidiary Guarantors has been advised that the Initial Purchasers and their affiliates are engaged in a broad range of transactions which may involve interests that differ from or conflict with those of the Issuer and the Subsidiary Guarantors and that the Initial Purchasers have no obligation to disclose such interests and transactions to the Issuer and the Subsidiary Guarantors by virtue of any fiduciary, advisory or agency relationship; and

(d) *Waiver*. Each of the Issuer and the Subsidiary Guarantors waives, to the fullest extent permitted by law, any claims it may have against the Initial Purchasers for breach of fiduciary duty or alleged breach of fiduciary duty and agrees that the Initial Purchasers shall have no liability (whether direct or indirect) to the Issuer and the Subsidiary Guarantors in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Issuer and the Subsidiary Guarantors, including shareholders, employees or creditors of the Issuer and the Subsidiary Guarantors.

SECTION 18. Waiver of Immunity.

To the extent that the Issuer and each Subsidiary Guarantor has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Issuer and each Subsidiary Guarantor hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Agreement.

SECTION 19. Applicable Law.

This Agreement shall be governed by and construed in accordance with the laws of the state of New York.

Each of the Issuer and the Subsidiary Guarantors hereby submits to the non-exclusive jurisdiction of the federal and state courts in the Borough of Manhattan in The City of New York in any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the Issuer and the Subsidiary Guarantors irrevocably and unconditionally waives any objection to the laying of venue of any suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in federal and state courts in the Borough of Manhattan in the City of New York and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such suit or proceeding in any such court has been brought in an inconvenient forum. Each of the Issuer and the Subsidiary Guarantors irrevocably appoints Law Debenture Corporate Services Inc., 400 Madison Avenue, 4th Floor, New York, New York 10017, as its authorized agent in the Borough of Manhattan in the City of New York upon which process may be served in any such suit or proceeding, and agrees that service of process upon such agent, and written notice of said service to the Issuer and the Subsidiary Guarantors by the person serving the same to the address provided in Section 14, shall be deemed in every respect effective service of process upon the Issuer and the Subsidiary Guarantors in any such suit or proceeding. Each of the Issuer and the Subsidiary Guarantors further agrees to take any and all action as may be necessary to maintain such designation and appointment of such agent in full force and effect for a period of nine years from the date of this Agreement.

The obligations of the Issuer and the Subsidiary Guarantors pursuant to this Agreement in respect of any sum due to any Initial Purchaser shall, notwithstanding any judgment in a currency other than U.S. dollars, not be discharged until the first business day, following receipt by such Initial Purchaser of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Initial Purchaser may in accordance with normal banking procedures purchase U.S. dollars with such other currency; if the U.S. dollars so purchased are less than the sum originally due to such Initial Purchaser hereunder, the Issuer and the Subsidiary Guarantors agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Initial Purchaser against such loss. If the U.S. dollars so purchased are greater than the sum originally due to such Initial Purchaser hereunder, such Initial Purchaser agrees to pay to the Issuer and the Subsidiary Guarantors an amount equal to the excess of the dollars so purchased over the sum originally due to such Initial Purchaser hereunder.

SECTION 20. Waiver of Jury Trial. Each party hereto hereby waives its rights to a jury trial of any claim or cause of action based upon or arising out of this Agreement or the subject matter hereof. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. This Section 20 has been fully discussed by each of the parties hereto and these provisions shall not be subject to any exceptions. Each party hereto hereby further warrants and represents that such party has reviewed this waiver with its legal counsel, and that such party knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. This waiver is irrevocable, meaning that it may not be modified either orally or in writing, and this waiver shall apply to any subsequent amendments, supplements or modifications to (or assignments of) this Agreement. In the event of litigation, this Agreement may be filed as a written consent to a trial (without a jury) by the court.

SECTION 21. Effect of Headings.

The section headings herein are for convenience only and shall not affect the construction hereof.

(iii) require any consents, approvals, or authorizations to be obtained by the Company or the Guarantors from, or any registrations, declarations or filings to be made by the Company or the Guarantors with, any governmental authority under any federal or New York statute, rule or regulation applicable to the Company or the Guarantors.

6. Pursuant to Sections [19] of the Purchase Agreement and pursuant to Section [•] of the Indenture and subject to mandatory choice of law and jurisdiction rules and constitutional limitations, under the laws of the State of New York, the Company and each of the Guarantors has validly (i) chosen New York law to govern its rights and duties under the Purchase Agreement and each Operative Document to which it is a party, (ii) submitted to the personal jurisdiction of courts of the State of New York and of U.S. federal courts located in the Borough of Manhattan, The City of New York in connection with an action or proceeding arising out of or related to the Purchase Agreement or the Operative Documents to which it is a party, (iii) to the extent permitted by law, waived any objection to the venue of a proceeding in any such court and (iv) appointed [Law Debenture Corporate Services Inc.] as its initial authorized agent for the purpose described in Section [19] of the Purchase Agreement and Section [•] of the Indenture.

7. EXHIBIT B

OPINION OF CAYMAN ISLANDS COUNSEL FOR THE ISSUER

Based upon the foregoing examinations and assumptions and upon such searches as we have conducted and having regard to legal considerations which we consider relevant, and subject to the qualifications set out in Schedule 3, and under the laws of the Cayman Islands, we give the following opinions in relation to the matters set out below.

1. Each of the Companies is an exempted company duly incorporated with limited liability, validly existing under the laws of the Cayman Islands and in good standing with the Registrar of Companies in the Cayman Islands. Each Company can sue and be sued in its own name under the laws of the Cayman Islands.

2. Each of the Companies has full corporate power and authority to execute and deliver the Documents to which it is a party and to perform its obligations under the Documents.

3. The Documents to which each of the Companies is a party have been duly authorised and executed and, when delivered by each of the Companies, will constitute the legal, valid and binding obligations of each Company enforceable in accordance with their respective terms.

4. The execution, delivery and performance of the Documents to which each of the Companies is a party, the consummation of the transactions contemplated thereby and the compliance by each of the Companies with the terms and provisions thereof do not:

   (a) contravene any law, public rule or regulation of the Cayman Islands applicable to each of the Companies which is currently in force; or

   (b) contravene the Memorandum and Articles of Association of each of the Companies.

5. Neither:

   (a) the execution, delivery or performance of any of the Documents to which either of the Companies is a party; nor

   (b) the consummation or performance of any of the transactions contemplated thereby by either of the Companies,

   requires the consent or approval of, the giving of notice to, or the filing or registration with, or the taking of any other action in respect of any Cayman Islands governmental or judicial authority or agency which if not obtained or made, would affect the validity, enforceability or subject to qualification 2 in Schedule 3, admissibility in evidence of the Documents.

6. The law chosen in each of the Documents to which any of the Companies is a party to govern its interpretation would be upheld as a valid choice of law in any action on that Document in the courts of the Cayman Islands (the " **Courts**" and each a "**Court**").

7. Save as set out in qualification 2 in Schedule 3, there are no stamp duties, income taxes, withholdings, levies, registration taxes, or other duties or similar taxes or charges now imposed, or which under the present laws of the Cayman Islands could in the future become imposed, in connection with the execution, delivery and performance by the Companies of the transactions contemplated in the Documents, enforcement or admissibility in evidence of the Documents or on any payment to be made by any of the Companies or any other person pursuant to the Documents. The Cayman Islands currently have no form of income, corporate or capital gains tax and no estate duty, inheritance tax or gift tax.

8. None of the parties to the Documents and no holder of the Notes is or will be deemed to be resident, domiciled or carrying on business in the Cayman Islands by reason only of the execution, delivery, performance or enforcement of the Documents to which any of them is party or the holding of the Notes as the case may be.

9. A judgment obtained in a foreign court (other than certain judgments of a superior court of any state of the Commonwealth of Australia) will be recognised and enforced in the Courts without any re-examination of the merits at common law, by an action commenced on the foreign judgment in the Grand Court of the Cayman Islands (the "**Grand Court**"), where the judgment:

   (a) is final and conclusive;

   (b) is one in respect of which the foreign court had jurisdiction over the defendant according to Cayman Islands conflict of law rules;

   (c) is either for a liquidated sum not in respect of penalties or taxes or a fine or similar fiscal or revenue obligations or, in certain circumstances, for in personam non-money relief (following *Bandone Sdn Bhd v Sol Properties Inc. [2008] CILR 301*); and

   (d) was neither obtained in a manner, nor is of a kind enforcement of which is contrary to natural justice or the public policy of the Cayman Islands.

10. It is not necessary under the laws of the Cayman Islands that any of the Documents be filed, enrolled, registered or recorded with any governmental authority or agency or in any public office or elsewhere in the Cayman Islands in order to ensure the legality, validity or enforceability or (subject to the payment of stamp duties mentioned in Qualification 2 in Schedule 3) admission of evidence of any of the Documents.

11. It is not necessary under the laws of the Cayman Islands:

   (a) in order to enable any party to any of the Documents to enforce their rights under the Documents; or

   (b) solely by reason of the execution, delivery and performance of the Documents,

that any party to any of the Documents should be licensed, qualified or otherwise entitled to carry on business in the Cayman Islands or any other political subdivision thereof.

12. Based solely upon our examination of the Register of Writs and other Originating Process of the Grand Court (the " **Court Register**") on [Date] (the "**Search Date**"), we confirm that, as at 9.00am on the Search Date (the " **Search Time**"), there are no actions, suits or proceedings pending against any of the Companies before the Grand Court and no steps have been, or are being, taken compulsorily to wind up any of the Companies.

13. In each Document which contains a provision pursuant to which any of the Companies agree to submit to the jurisdiction of the courts specified therein, such Company has executed an effective submission to the jurisdiction of such courts. The appointment of Law Debenture Corporate Services Inc. as an agent to accept service of process in such jurisdiction pursuant to the Documents is legal, valid and binding on that Company.

14. Each of the Companies is subject to civil and commercial law with respect to its obligations under the Documents and neither the Companies nor any of their respective assets is entitled to immunity from suit or enforcement of a judgment on the grounds of sovereignty or otherwise in the Courts in proceedings against any of the Companies in respect of any obligations under the Documents, which obligations constitute private and commercial acts rather than governmental or public acts.

15. A judgment of the Courts may be expressed in a currency other than Cayman Islands dollars.

16. On a liquidation of any of the Companies, claims against such Company under any of the Documents to which it is party will rank at least *pari passu* with the claims of all other unsecured creditors (other than those preferred by law).

17. In the event of an insolvency, liquidation, bankruptcy or reorganisation affecting any of the Companies, no liquidator, creditor or other person would be able to set aside any disposition of property effected by such Company pursuant to the Documents.

18. There are no foreign exchange controls or foreign exchange regulations under the currently applicable laws of the Cayman Islands.

19. The consummation of the transactions in the manner contemplated by the Documents will not result in the Initial Purchasers (as defined in Schedule 1) being subject to any legal requirements of registration or filing of the Documents with any authority in the Cayman Islands.

20. The duties and obligations of the Trustee (as defined in Schedule 1) would, as a matter of the provisions of the laws of the Cayman Islands relating to conflicts of laws, be determined solely by reference to New York law. There are no provisions in the laws of the Cayman Islands which will impose duties on the Trustee or modify the trust relationships between the Trustee and the holders of the Notes established pursuant to the Indenture (as defined in Schedule 1).

21. The statements in the Offering Memorandum (as defined in Schedule 1) which deal with (a) the incorporation and legal status of the Company, in the sections headed [“Risk Factors”, “Enforcement of Civil Liabilities”, “Regulation”, “Management”]; and which deal with (b) legal consideration, in the sections headed [“Taxation-Certain Cayman Islands Tax Considerations” and “Plan of Distribution – Cayman Islands”], insofar and to the extent that they constitute a summary or description of the law and regulations of the Cayman Islands, are true and correct in all material respects.

EXHIBIT C

OPINION OF MACAU COUNSEL FOR THE ISSUER

Based upon and subject to the foregoing and subject to the qualifications set out below and to any other matters which may not have been disclosed to us, we are of the opinion that:

(a) Each of the Macau Companies is duly incorporated and duly organized as a company and is validly existing under the laws of the Macau SAR; each of such entity has full corporate power and authority to own, lease and operate its properties and assets and to carry on its business as described in the Final Offering Memorandum and the Disclosure Package (as such term is defined in the Purchase Agreement) in accordance with such entity's Memorandum and Articles of Association.

(b) Melco Crown Gaming (Macau) Limited (formerly, Melco PBL Gaming (Macau) Limited) holds a gaming subconcession and is authorized by the Macau government to operate games of fortune and chance and other games in casino in the Macau SAR. To our knowledge after due inquiry, we are not aware of any breach or non-compliance by Melco Crown Gaming (Macau) Limited of any agreement or provisions of the laws of the Macau SAR that may adversely affect its right to operate games of fortune and chance and other games in casino in the Macau SAR.

(c) Each of the Macau Companies is in good standing (meaning so far as the registrar of companies in the Macau SAR is aware, it has not failed to make any filing with such registrar or to pay any fee to such registrar which might make it liable to be struck off the register of companies by such registrar) and has the status of a Macanese legal person and is capable of being sued.

(d) Altira Developments Limited is the lessee of a plot of land designated as Lote BT17, registered with the Macau Real Estate Property Registry under no. 23193, located in the Macau SAR at Avenida de Kwong Tung, s/n, Freguesia de Nossa Senhora do Carmo (Taipa), Taipa pursuant to the land concession granted under order of the Secretary for Transport and Public Works no. 20/2006, published in the Macau Official Gazette no. 9, II Series, of 1st March 2006 (hereinafter the "Altira Land Grant Concession"), free and clear of all liens, encumbrances and title defects except such as are described in the Final Offering Memorandum and the Disclosure Package or such as do not materially affect the value of such property and do not interfere with the uses made and proposed to be made of such property by it; and to the best of our knowledge, no default (or event which with notice or lapse of time, or both, would constitute such a default) by Altira Developments Limited has occurred and is continuing under the Altira Land Grant Concession; there are no grounds for rescission, avoidance or repudiation of any of such Altira Land Grant Concession and no notice of termination or of intention to terminate has been received in respect thereof, with such exceptions as are not material and do not interfere with the uses made or proposed to be made by Altira Developments Limited.

(e) Melco Crown (COD) Developments Limited is the lessee of a plot of land registered with the Macau Real Estate Property Registry under no. 23243, located in Taipa, near Estrada do Istmo, in the reclaimed area between Taipa and Coloane, Macau SAR pursuant to the land concession granted under order of the Secretary for Transport and Public Works no. 25/2008, published in the Macau Official Gazette no. 33, II Series, of 13 August 2008, as amended by order of the Secretary for Transport and Public works no. 45/2010, of 2 September 2010, published in the Macau Official Gazette no. 37, II Series, of 15 September 2010 (hereinafter the "COD Land Grant Concession"), free and clear of all liens, encumbrances and title defects except such as are described in the Final Offering Memorandum and the Disclosure Package or such as do not materially affect the value of such property and do not interfere with the uses made and proposed to be made of such property by it; and to the best of our knowledge, no default (or event which with notice or lapse of time, or both, would constitute such a default) by Melco Crown (COD) Developments Limited has occurred and is continuing under the COD Land Grant Concession; there are no grounds for rescission, avoidance or repudiation of any of such COD Land Grant Concession and no notice of termination or of intention to terminate has been received in respect thereof, with such exceptions as are not material and do not interfere with the uses made or proposed to be made by Melco Crown (COD) Developments Limited.

(f) Each of the Macau Companies have each the power, capacity and authority to enter into, deliver and perform its obligations under the Transaction Documents to which it is a party and all necessary corporate and other action has been taken to enable it validly to execute and deliver, and perform its obligations under, such Transaction Documents.

(g) The obligations of each of the Macau Companies under the Transaction Documents to which each of them is a party are enforceable against each of the Macau Companies in accordance with their respective terms.

(h) The transactions contemplated in the Transaction Documents to which each of the Macau Companies is a party fall within the scope of its memorandum and articles of association.

(i) The execution and delivery of the Indenture by the parties thereto, the execution and delivery of the Purchase Agreement by the Subsidiary Guarantors and the performance by the Subsidiary Guarantors of each of their obligations under the Indenture, the Purchase Agreement, the payment of any amount under the Indenture, the Purchase Agreement, the issuance and sale of the Notes by the Company as described in the Final Offering Memorandum and the Disclosure Package (i) do not, and will not, violate any Macau SAR statute, rule or regulation which, in our experience, is normally applicable to transactions of the type contemplated by the Indenture, the Purchase Agreement, (ii) do not, and will not, breach or otherwise violate any existing obligation of or restriction on the Subsidiary Guarantors under any order, judgment or decree of any Macau SAR court or governmental authority binding on the Subsidiary Guarantors and (iii) do not, and will not, result in the breach of or a default under any agreement that is known to such counsel and that is governed by Macau law and to which the Company or any of its subsidiaries is a party or by which its properties are bound, including, without limitation, the Major Macau Documents.

"**Major Macau Documents**" means the following:

(i) Subconcession Agreement (including all exhibits thereto) which consists of the contract for the operation of games of chance and other casino games in the Macau SAR dated 8 September 2006 and entered into by Wynn Resorts (Macau), Limited ("Wynn Macau") and Melco Crown Gaming (Macau) Limited together with the following letters: (i) letter dated 8 September 2006 from the Government of the Macau SAR addressed to Melco Crown Gaming (Macau) Limited and copied to Wynn Macau with regard to the confirmation by the Government of the Macau SAR of the contract referred to above; (ii) letter dated 8 September 2006 from Melco Crown Gaming (Macau) Limited addressed to the Government of the Macau SAR, with regard to the confirmation of the rights and obligations of Melco Crown Gaming (Macau) Limited towards the Government of the Macau SAR, and (iii) letter dated 8 September 2006 from the Government of the Macau SAR addressed to Melco Crown Gaming (Macau) Limited with regard to the confirmation of the rights and obligations of the Government of the Macau SAR towards Melco Crown Gaming (Macau) Limited;

(vi) Agreement dated March 17, 2005 relating to the transfer of 30% shareholding in Altira Developments Limited from Sociedade de Turismo e Diversões de Macau, S.A., to Melco International Development Limited and Melco Entertainment Limited;

(vii) Altira Land Grant Concession (order of the Secretary for Transport and Public Works no. 20/2006, published in the Macau Official Gazette no. 9, II Series, of March 1, 2006); and

(viii) COD Land Grant Concession (order of the Secretary for Transport and Public Works no. 25/2008, published in the Macau Official Gazette no. 33, II Series, of August 13, 2008, as amended by order of the Secretary for Transport and Public works no. 45/2010, of 2 September 2010, published in the Macau Official Gazette no. 37, II Series, of 15 September 2010).

(j) No authorization by the government of the Macau SAR is required for the execution and delivery of the Indenture, the Purchase Agreement, the performance by the Subsidiary Guarantors of any obligation under the Indenture, the Purchase Agreement and the performance by the Subsidiary Guarantors of any of its obligations, the payment of any amount under the Indenture, the Purchase Agreement by the Subsidiary Guarantors and the issue of the Notes by the Company as in the manner described in the Final Offering Memorandum and the Disclosure Package or the consummation of the transactions contemplated by the Indenture, the Purchase Agreement.

(k) As of the date of this opinion, as a matter of the provisions of the laws of Macau SAR, no approvals, licences, consents, permits, authorisations, registrations or filings are required to ensure the legality, validity, enforceability and the admissibility in evidence of the Transaction Documents and the transactions contemplated therein.

(l) The Initial Purchasers are not and will not become (or be deemed to have become) resident, domiciled, engaged in the carrying on of business or subject to taxation in the Macau SAR by reason only of the negotiation, preparation, execution, delivery, performance or enforcement of or receipt of all or any payment(s) under all or any of the Transaction Documents.

(m) It is not necessary for the Initial Purchasers to establish a place of business (or be licensed, qualified or otherwise entitled to carry on business) in the Macau SAR or to meet any other criteria applicable under the laws of the Macau SAR for the entry into, performance or enforcement of all or any of the Transaction Documents.

(n) The duties and obligations of the Trustee (as referred to in the Indenture) would, as a matter of the provisions of the laws of Macau SAR relating to conflicts of laws, be determined solely by reference to New York law. There are no provisions in the laws of Macau SAR which will impose duties on the Trustee or modify the trust relationship between the Trustee and the holders of the Notes established pursuant to the Indenture.

(o) The statements in the Final Offering Memorandum and the Disclosure Package reproduced in Annex II of this opinion, insofar as such statements summarize provisions of the laws of the Macau SAR and the Subconcession Agreement, are accurate and fair descriptions and summaries in all material respects.

(p) No stamp registration or similar tax is required to be paid in the Macau SAR on the execution of, or otherwise in respect of, the Indenture, the Purchase Agreement and the Subordination Agreement and no withholding or other deduction on account of any Macau SAR tax is payable by or on behalf of the Initial Purchasers to any taxing authority in the Macau SAR in connection with the execution and delivery of the Indenture, the Purchase Agreement and the Subordination Agreement by the Company and the Subsidiary Guarantors and the consummation of the transactions contemplated thereunder, the issuance of the Notes in the manner described in the Final Offering Memorandum and the Disclosure Package.

(q) The choice of New York law to govern the Indenture, the Purchase Agreement and the Subordination Agreement is a valid choice of law and will be recognized and applied by the courts of the Macau SAR provided that the parties had a reasonable interest in such choice of law and that there are no reasons for avoiding such choice of law on the grounds of public policy.

(r) The submission to the non-exclusive jurisdiction of the Federal and state courts in the Borough of Manhattan in the City of New York (each a "New York Court"), the appointment of Law Debenture Corporate Services Inc., 400 Madison Avenue, 4th floor, New York, New York 10017 as an agent for service of process in New York, the waiver by the Company, MPEL International Limited and the Subsidiary Guarantors of any objection to the venue of a proceeding in a New York court, pursuant to the Indenture, the Purchase Agreement and the Subordination Agreement in any action or proceedings based on or arising under the Indenture, the Purchase Agreement and the Subordination Agreement is legal, valid and binding on the Company, MPEL International Limited or the Subsidiary Guarantors, as the case may be, assuming that the same is true under the governing law of the Indenture, the Purchase Agreement and the Subordination Agreement and under the laws of the Cayman Islands.

(s) All dividends and other distributions declared and payable on the shares of the Macau Companies may under the current laws and regulations of the Macau SAR be paid to their respective shareholders, and where they are to be paid from the Macau SAR, are freely transferable out of the Macau SAR; there is no exchange control legislation under the laws of the Macau SAR and accordingly there are no exchange control regulations imposed under the laws of the Macau SAR.

(t) Although there is no statutory enforcement in the Macau SAR of judgments obtained in New York, the courts of the Macau SAR will recognize and enforce a judgment of a foreign court of competent jurisdiction in respect of any legal suit or proceeding arising out of or relating to the Transaction Documents without retrial on the merits provided that (1) such court had jurisdiction in the matter and the defendant either submitted to such jurisdiction or was resident or carrying on business within such jurisdiction and was duly served with process; (2) due process was observed by such court, with equal treatment given to both parties to the action, and the defendant had the opportunity to submit a defense; (3) the judgment given by such court was not in respect of penalties, taxes, fines or similar fiscal or tax revenue obligations; (4) in obtaining judgment there was no fraud on the part of the person in whose favor judgment was given or on the part of the court; (5) recognition or enforcement of the judgment in Macau would not be contrary to public policy; (6) the proceedings pursuant to which judgment was obtained were not contrary to natural justice; and (7) any interest charged to the defendant does not exceed three times the official interest rate, which is currently 9.75% per annum, over the outstanding payment (whether of principal, interest fees or other amounts) due.

(u) To our knowledge, there are no material actions or petitions pending against the Macau Companies in the courts of the Macau SAR as at close of business in the Macau SAR on [•] 2013.

(v) None of the Macau Companies is entitled to any immunity under the laws of the Macau SAR whether characterized as sovereign immunity or otherwise for any legal proceedings in the Macau SAR to enforce or to collect upon the Transaction Documents; the waiver by the Macau Companies to immunity is a valid and binding obligation of such companies under the laws of the Macau SAR.

(w) The indemnification and contribution provisions set forth in the Indenture, the Purchase Agreement and the Subordination Agreement do not contravene the public policy or laws of Macau.

(x) We have no reason to believe that the Final Offering Memorandum and the Disclosure Package or any amendment or supplement thereto (other than the financial statements and related schedules and other financial data derived from the financial statements and related schedules contained therein or omitted therefrom), as of their respective issue dates or as of the Closing Date, contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; we have no reason to believe either the Final Offering Memorandum or the Disclosure Package (other than the financial statements and related schedules and other financial data derived from the financial statements and related schedules contained therein or omitted therefrom), as of the Closing Date, contained any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

EXHIBIT D

On the assumptions set out in paragraph 5 (*Assumptions*) above, subject to the further qualifications set out in paragraph 7 (*Qualifications*) below and subject to any matters not disclosed to us, the execution by each Subsidiary Guarantor of each Operative Document to which it is party and the performance of its obligations under those Operative Documents will not breach the terms of the Senior Facilities Agreement.
